

Notice to Marriage License Applicants:

Civil celebrants are appointed by the Circuit Court to officiate the rites of matrimony for civil wedding ceremonies. On this list are Loudoun residents who have been appointed as civil celebrants. The Clerk's Office will not make arrangements for a civil celebrant to officiate a wedding ceremony. It is the responsibility of the individual seeking a civil wedding ceremony to contact the civil celebrants to schedule a civil wedding ceremony. Virginia Code Section § 20-27 establishes that **civil celebrants are permitted to charge \$75** for each ceremony and travel expenses to and from the marriage site. It is important that individuals seeking a civil wedding ceremony thoroughly discuss the fee arrangements with the civil celebrant.
