

Daily Incident Report

Thursday, April 17, 2024

Loudoun County Sheriff's Office (LCSO) Daily Incident Reports cover every day of the week but are published Monday through Friday (except holidays). Incidents reported are those most notable for news media and general community interest. Please visit www.sheriff.loudoun.gov/dailycrime to review prior Daily Incident Reports (going back 30 days), and go to www.sheriff.loudoun.gov/findmystation to determine your geographic station area.

The LCSO also provides an online mapping and analysis service through www.sheriff.loudoun.gov/CityProtect that combines the value of law enforcement data with Google-based mapping and an analytics module. Up-to-date information on nearly all LCSO calls for service may be viewed through this service.

Scams

Date	Location	Incident
	Leesburg	Scam Attempt: Complainant reported a call from someone claiming to be an LCSO deputy who said that the complainant had an outstanding warrant for missing jury duty and could resolve the matter by sending \$5k in cryptocurrency. The complainant said that as he questioned the initial caller, he was transferred several times to "higher-ups," who tried to convince him to send the money. Complainant recognized this was a scam and hung up. SO240006807
	Lovettsville	Credit Card Fraud: Complainant reported that two credit cards had been opened in her name without her authorization. Both cards have outstanding balances, with one resulting in a "Warrant in Debt" to appear at the Loudoun County General District Court. Complainant also stated that she received a package at her home with a cashier's check and instructions for depositing the check and buying gift cards for the sender. Complainant recognized this was scam and did not take any action. SO240006802
	Ashburn	Rental Scam: Complainant reported that she sent a \$1350 deposit to a "property manager" for a rental she saw advertised online. The property manager then informed her that she could have a discounted monthly rent if she sent additional funds. Complainant refused, realizing this was likely a scam. Upon refusing, she was told the lease was being canceled and that she would receive a partial refund of her deposit. No refund was received, and complainant located the actual property owner who informed her that the property had not been listed for rent and there was no property manager. SO240006785
