Friday, May 17, 2024

Loudoun County Sheriff's Office (LCSO) Daily Incident Reports are published Monday through Friday, except holidays. Incidents reported are those most notable for news media and general community interest. Please visit www.sheriff.loudoun.gov/dailycrime to review prior Daily Incident Reports (going back 30 days), and go to www.sheriff.loudoun.gov/findmystation to determine your geographic station area.

The LCSO also provides an online mapping and analysis service through www.sheriff.loudoun.gov/CityProtect that combines the value of law enforcement data with Google-based mapping and an analytics module. Up-to-date information on nearly all LCSO calls for service may be viewed through this service.
