

# **Glossary of Terms**

**501(c)3** Exempt tax status afforded to nonprofit organizations meeting certain criteria.

Accrual Basis of Accounting A method of accounting that recognizes the financial effect of transactions, events, and inter-fund activities when they occur, regardless of the timing of related cash

flows.

Actual(s) Revenues and expenditures that occur in a prior fiscal year. Actuals differ from

budgeted figures in that they represent the real disbursements and/or collections

that take place subsequent to budget adoption.

Adjusted Gross Income Adjusted Gross Income is the key before-tax definition of income used by the IRS to

compute individual income tax liabilities and is defined as: "all income that is received in the form of money, property, and services and that is not explicitly

exempt by law."

**Adopted Budget** A plan of financial operations approved by the Board of Supervisors highlighting

major changes made to the County Administrator's Proposed Budget. The Adopted Budget reflects approved tax rates and estimates of revenues, expenditures, and transfers. This document is commonly referred to as the Adopted Budget.

Annual Budget An itemized listing of the amount of all estimated support and revenue that an

organization anticipates receiving, along with a listing of all estimated costs and expenses that will be incurred in the operation of the organization over one fiscal

year.

Annual Comprehensive Financial Report (ACFR)

This official annual report, prepared by the Department of Finance and Budget, presents the status of the County's finances in a standardized format. The ACFR is organized by fund and contains two basic types of information: (1) a balance sheet that compares assets with liabilities and fund balance, and (2) an operating

statement that compares revenues and expenditures.

Appropriation A legal authorization granted by the Board of Supervisors to a specified organization,

such as a unit of the County government or an affiliated regional organization, to make expenditures and to incur obligations for specific purposes. An appropriation is limited in dollar amount and when it may be spent, usually expiring at the end of the

fiscal year.

Appropriation Resolution A legally binding document prepared by the Office of Management and Budget

which delineates by fund and department all expenditures and revenues adopted by

the Board of Supervisors which are reflected in the Adopted Budget.

**Assess** To place a value on property for tax purposes.

**Assessed Valuation** The appraised value of a property for purposes of property taxation. The assigned

valuation covers real and personal property at 100 percent valuation.

**Assessment** A charge of money collected by the government from people or businesses for public

use.

**Asset** Owned resources, possibly held by Loudoun County, which have a monetary value.

Audit A formal examination of an organization's or individual's accounts or financial

situation.

Basis Point Equal to 1/100 of one percent. For example, if interest rates rise from 6.50 percent

to 6.75 percent, the difference is referred to as an increase of 25 basis points.

**Balanced Budget** A financial plan in which total expenditures equal total revenue and/or fund balance.

Base Budget The cost of continuing existing levels of service in the upcoming budget year.

**Benchmark** A factor or standard used to assess the effectiveness of a service or program in

comparison with other organizations or jurisdictions.

**Bond** A written promise to pay a specified sum of money (called the principal) at a

specified date in the future, together with periodic interest at a specified rate. In the budget document, these payments are identified as debt service. Bonds may be used

as an alternative to tax receipts to secure revenue for long-term capital improvements. County debt, to which the full faith and credit of the County is pledged, is approved by voter referendum. The State Constitution mandates taxes on real property sufficient to pay the principal and interest of such bonds. The majority of bonds issued for County and School construction projects are known as

general obligation bonds.

**Bond Rating** The rating of bonds as a statement of a locality's economic, financial, and managerial

condition. The bond rating represents the business community's assessment of the

investment quality of a local government.

**Budget** A specific plan which identifies a plan of operations for the fiscal year, states the

expenditures required to meet that plan of operations, and identifies the revenue necessary to finance the plan. The annual County budget is established by the Board

of Supervisors' Appropriation Resolution.

**Budget Calendar** Schedule of key dates which a government follows in the preparation and adoption

of the budget.

Occupational License

(BPOL)

Business, Professional, and Refers to the license tax that is levied upon the privilege of doing business or

engaging in a profession, trade, or occupation in the County.

**Capital Asset Preservation** 

**Program Fund** 

A fund established to ensure a consistent means of financing and planning for major countywide maintenance efforts. This fund provides a mechanism for the

replacement and rehabilitation of major components of the School and County physical plant including structural, mechanical, electrical, plumbing and site-related

efforts.

Capital Expenditures Expenditures on all fixed assets with a value greater than \$10,000 and an expected

life of 5 years or more.

**Capital Facilities** Fixed assets, primarily buildings, acquired or constructed by the County.

**Capital Improvement** 

**Program** 

The County's plan for future capital project expenditures. The six-year plan covers public facilities, resulting in the construction or acquisition of fixed assets, primarily

buildings, but also including parks, land, landfills, etc.

**Capital Outlay** Expenditures for items of a substantial nature that are expected to have a useful life

of more than one year. Examples include personal computers, vehicles, radios, and

furniture.

**Carryover Funds** Unexpended funds from the previous fiscal year which may be used to make

payments in the current fiscal year. This is also referred to as the beginning fund

balance.

Children's Services Act for

At-Risk Youth (CSA)

This is a joint project of the Departments of Family Services; Mental Health, Substance Abuse, and Developmental Services; Management and Budget; Finance and Procurement; Juvenile Courts; the School System and community service providers and private citizens. CSA is funded jointly by the State and the County. The project goal is to maintain, strengthen and reunify at-risk youth and their families.

Code of Virginia The titles, chapters, articles, and sections of this Code contain the laws of the State.

**Codified Ordinance** Regulation related to a specific code, such as the Code of the Commonwealth of

Virginia.

Comprehensive Annual Financial Report (CAFR) See Annual Comprehensive Financial Report (ACFR).

Constituent A resident in an electoral district.

**Constitutional Officers** Officers or agencies directed by elected officials (Clerk of the Circuit Court,

> Commissioner of the Revenue, Commonwealth's Attorney, Sheriff, and Treasurer) whose positions are established by the Constitution of the Commonwealth of

Virginia or its statutes.

**Contractual Services** Services rendered to a government by private firms, individuals, or other

governmental agencies.

**County Seat** An administrative center of a community. Leesburg is the County Seat of Loudoun

County.

**County Zoning Map** The unincorporated areas of Loudoun County are divided into districts indicated on

the Zoning Map. It is the final authority as to the current zoning status of land and

water areas, buildings, and other structures in the County.

**County Zoning Ordinance** This zoning ordinance was adopted by the County in conformance with the

> provisions of Title 15.1, Chapter 11, Article 8, of the Code of the Commonwealth of Virginia. Its purpose is to promote the health, safety, and general welfare of the public. The zoning ordinance is a means of controlling land use. For example, zoning ordinances can help to prevent traffic congestion, protect historic areas, and control

population density.

**Current Service Level** The level at which a department can provide services with current resources.

Debt An obligation resulting from the borrowing of money.

**Debt Service** Funding as defined by the State Auditor of Public Accounts that finances and

accounts for the payment of principal and interest on bonds.

Department Basic organizational unit of the County government which is functionally unique in

its service delivery responsibilities.

**Depreciation** Expiration in the service life of capital assets attributable to wear and tear,

deterioration, action of the physical elements, inadequacy, or obsolescence.

**Division** Major organizational subunits.

Emergency Operations Center (EOC) The Emergency Operations Center (EOC) provides a central location to determine situational status, coordinate actions, and make critical decisions during emergency and disaster situations. Emergency Management staff maintains the EOC during routine operations. Personnel from various departments and agencies in the county along with key organizations outside the County comprise the EOC staff during

activation.

**Encumbrance** A reservation of funds for an anticipated expenditure prior to actual payment of an

item. Funds are usually reserved or encumbered once a contract obligation has been

signed, but prior to the actual disbursement of the cash payment.

**Enhanced Service Level** A higher level of service than the current service level, demonstrated by changes to

performance metrics. If an enhanced service level resource request is approved, it

becomes part of the current service level in the subsequent budget.

**Enterprise Funds** Funds used to account for operations (a) that are financed through dedicated user

fees, or (b) where the Board of Supervisors has decided to appropriate funding for specific operations using a periodic determination of revenues earned, expenses

incurred, and/or net income.

**Equalization** An annual assessment of real estate to ensure that assessments accurately reflect

current market values. Equalization revenue is the annual increase or decrease in collected revenue resulting from adjustments to the assessment of existing property in the County. This annual increase or decrease is due to value changes rather than

to new construction.

**Expenditures** Decreases in net financial resources not properly classified as other financing uses.

Facilities Standards Manual A document by the Board of Supervisors which sets out specific regulations and

design standards for such facilities as water/sewer service, roads and streets, soils

review, etc.

Finding used to account for assets held by the County in a trustee capacity or as an

agent for individuals, private organizations, other governments, and/or funds.

**Fiscal Impact Model** A 20-year model developed to help the County plan for future population growth.

The fiscal impact model determines the financial impact of growth on the County

Government, quantifying the need for services and projecting the related

expenditures for providing these services.

**Fiscal Policy** A statement of the guidelines and goals that will influence and guide financial

management practices.

**Fiscal Trends** The statistical section of the document that provides a broad range of trend data

covering key financial indicators with historical and current data. The fiscal trends section also contains demographic and miscellaneous data useful in assessing the

County government's financial condition.

**Fiscal Year** This is the period of time measurement used by the County for budgeting and

accounting purposes. The fiscal year consists of the twelve months beginning on July

1st and ending June 30th.

FTE Full-Time Equivalent, considering all full-time and part-time staff positions. Each full-

time position working at least 1,950 hours per year is counted as one FTE. For part-

time positions, one FTE consists of a cumulative 1,950 work hours per year.

Fund A fiscal and accounting entity with a self-balancing set of accounts recording cash

and other financial resources, together with all related liabilities and residual equities, or balances and changes therein. Funds are segregated for the purpose of carrying out specific activities or attaining certain objectives in accordance with

special regulations, restrictions or limitations.

Fund Balance The amount of money or other resources remaining unspent or unencumbered in a

fund at a specific point in time. This term usually refers to funding available at the

end of the fiscal year.

**Fund Type** A group of funds that have similar activities, objectives, or funding sources as

defined by the State Auditor of Public Accounts.

GAAP An acronym for Generally Accepted Accounting Principles, this term refers to

uniform minimum standards for financial accounting and recording.

**General Fund**The primary location of all financial activity associated with the ordinary operations

of County government. Most taxes are accrued into this fund and transfers are made

to the School, Debt Service, and Capital Projects funds as appropriate.

**General Obligation Bond** 

**Financing** 

General Obligation bonds are approved by voter referendum and carry the full faith

and credit of Loudoun County.

**General Plan** An official public document, which is the product of citizen participation, the

Planning Commission, the Board of Supervisors, County staff, and consultants. The General Plan is a long-range guide for growth, land use, and development decisions in the County and provides a framework for consistent future decision-making.

**Geographic Information** 

System (GIS)

The Geographic Information System (GIS) is a computer system used to assemble, store, manipulate, and display information about land in the County. GIS is a multi-departmental resource integrated with several of the County's other computer systems. It is used to manage and analyze land information, produce maps in support of the assessment process, manage zoning and health information, assist

with the planning process, addressing County residences, and landfill management.

Goals A general statement of purpose. A goal provides a framework within which the

program unit operates; it reflects realistic constraints upon the unit providing the service. A goal statement speaks generally toward end results rather than toward specific actions (e.g., "minimize unemployment among disadvantaged youth").

**Grant** A contribution by one organization to another. The contribution is usually made to

aid in the support of a specified function, such as health care, housing, crime

prevention, etc.

Intergenerational Equity This is one of the concepts that underlie the issuance of long-term debt for capital

projects. If a facility has an expected useful life of 20-40 years, there is a rationale for linking the payment for the facility to the beneficiaries of the facility. In other words, future users of the facility will also pay their share of the construction cost of the

facility through debt service payments.

Intergovernmental Revenue Revenue from other governments, such as the State and Federal government, in the

form of grants, entitlements, shared revenue, or payments in lieu of taxes.

**Landfill Fee Waiver** The forgoing of the tipping fee charged for use of the County's landfill. Organizations

which are granted fee waivers must meet the following criteria: (1) the organizations must apply for the exemption, (2) the organization must be a governmental or nonprofit entity with IRS 501 status, and (3) the organization must provide a service

for the public good.

Lease Purchase A method of financing that allows the County to construct or acquire property and

pay for it over a period of time by installment payments rather than an outright purchase. The time payments include an interest charge, which is typically reduced

because the lessor does not have to pay income tax on the interest revenue.

**Levy** The imposition of taxes for the support of government activities.

Liabilities Obligations incurred in past or current transactions requiring present or future

settlement.

**Liquidity** Funds consisting, or capable, of ready conversion into cash.

Local Tax Funding Represents funds that the Board of Supervisors may allocate from general tax

revenues to supplement revenues received by a program.

**Long-Term Debt** Debt with a maturity of more than one year after the date of issuance.

Merit Increase An increase in an employee's base salary granted based on meeting certain

performance standards and approval by the Board.

Mission Statement A written description stating the purpose of an organizational unit (department or

agency) and its function.

**Modified Accrual Basis of** 

Accounting

Basis of accounting according to which (a) revenues are recognized in the accounting period in which they become available and measurable and (b) expenditures are recognized in the accounting period in which the fund liability is incurred (if

measurable). Under this approach, immature interest on general long-term debt and

certain similar accrued obligations are recognized when due.

Non-Revenue Receipt Assets received by the County which are not in the form of cash, such as federal food

commodities received at the Juvenile Detention Home and donated land from developers in the form of proffers. These are entered in the County records at their

fair market value at the time of receipt.

**Object Classification** A grouping of expenditures on the basis of goods or services purchased, such as

personal services, materials, supplies, equipment, etc.

**Objective** A statement of purpose defined more specifically than a goal. Objectives describe

specific measurable outputs within a designated timeframe (e.g., "increase the

number of children qualifying as Level I swimmers by 20%").

**Obligation** A future expenditure requirement incurred by voluntary agreement or legal action.

Overlapping Debt The debt issuer's (County's) proportionate share of the debt of other local

governmental units such that the issuer (the County) is located either wholly or partly within the geographic limits of the other units. The debt is generally apportioned based upon relative assessed value. For example, debt issued by a regional organization with which the County is affiliated would be overlapping debt

of the County.

**Overmatch** The amount of local tax funding over and above the amount required to leverage

federal and state grant revenue.

Parcel Mapping The process of producing maps of land parcels in the County. These parcels serve as

units for assessing taxes.

Pay-As-You-Go A term used to describe the practice of financing certain capital expenditures using

current revenue as opposed to borrowing.

Performance Measures Data collected to assess a program's progress toward achieving established

objectives and goals.

**Personal Property** A category of property other than real estate, identified for purposes of taxation,

including personally owned items, corporate property, and business equipment. Examples include automobiles, motorcycles, trailers, boats, airplanes, business furnishing, and manufacturing equipment. Goods held for sale by manufacturers,

wholesalers, or retailers (i.e., inventory) are not included.

Policy A high-level overall plan embracing the general goals and acceptable procedures of

the governing body.

**Private Contributions/** 

**Donations** 

These donations are usually from private citizens, typically one-time, non-recurring

donations of cash or property.

**Proffer** An offer of cash or property. This usually refers to property, cash, or structural

improvements, offered by contractors/developers to the County in land development projects. An example is a proffer of land from a developer to the

County.

**Program** This is a plan or unit under which action may be taken towards meeting an individual

or set of goal(s) in the provision of a particular service. Examples of County government programs include fleet management, fire and rescue training, and

outpatient services.

Property Tax Rate The rate of taxes levied against real or personal property expressed as dollars per

\$100 of assessed valuation of the property taxed.

Proposed Budget A plan of financial operations submitted by the County Administrator to the Board of

Supervisors. This plan reflects estimated revenues, expenditures, and transfers. In addition, sections are included to show major budgetary/financial policies and guidelines used in the County's fiscal management. The document is commonly

referred to as the Proposed Budget.

**Proprietary Fund Types** Funds that account for County activities which are similar to private sector

businesses. These funds measure net income, financial position and changes in

financial position.

**Prorate Tax System** A system in which taxes are assessed proportionally during the year.

Public Service Property Property specifically designated for public service use, as determined by the State

Corporation Commission. This category includes designated real property, such as land and buildings and other property, such as computers, copiers and cash

registers.

Rating Agencies The organizations which provide publicly available ratings of the credit quality of

securities issuers. The term is most often used to refer to the nationally recognized agencies, Moody's Investors Service, Inc., Standard & Poor's Corporation, and Fitch

Investors.

Real Property Real estate, including land and improvements (building, fencing, paving), classified

for purposes of tax assessment.

**Recommended Service** 

Level

The desired service level for the County Government to provide to the community

that is responsible, sustainable, and equitable.

**Referendum** The principle or practice of submitting to popular vote a measure passed on or

proposed by a legislative body or by popular initiative.

**Regional Gasoline Tax** This is a per gallon tax on gasoline sold in the County. Regional gasoline tax

collections are directed to a special account maintained by the Northern Virginia

Transportation Commission (NVTC).

**Regional Organization** Organizations to which the County is either a member or contributes as a funding

source.

**Resolution** A formal expression of opinion will, or intent voted by an official body or assembled

group.

**Resource Request** A general term used for requests for additional funding that may either maintain or

enhance a program's service level, or establish a new program.

**Revenue** An increase in assets or financial resources. Revenue types are from local sources,

from the Commonwealth of Virginia, the Federal Government, and from Non-

Revenue Receipts (other Financing Sources).

**Revolving Loan Fund** A fund established by the Board of Supervisors for County government, School, and

Fire and Rescue company capital projects. Loans from the fund must be repaid back

into the fund.

Rollback taxes Amount of the difference between the taxes calculated for a property with and

without the exemption for the previous five years.

**Short-Term Debt** Debt with a maturity of less than one year after the date of issuance.

**Special District** An independent unit of local government organized to perform a single

governmental function or a restricted number of related functions. Special districts usually have the power to incur debt and levy taxes; however, certain types of special districts are entirely dependent upon enterprise earnings and cannot impose taxes. Examples of special districts are the Route 28 Special Improvement District

and the Metrorail Service District.

**State and Federal Grant** 

Fund

A governmental fund type used to account for the proceeds of specific revenue sources (other than for major capital projects) that are legally restricted to

expenditure for specified purposes.

State Compensation Board A State Board that determines the rate of State funding toward the total cost of

office operations for Constitutional Officers.

**Step Increase** An increase in base salary from the dollar amount of one step to the dollar amount

of the next higher step on a grade and step pay plan. A step increase typically occurs

due to a merit increase, which is approved by the Board.

**Task Force** A group of individuals organized to discuss and research a particular topic. Task

forces are often used as advisory groups on a given topic.

**Tax Base** The aggregate value of taxed items. The base of the County's real property tax is the

market value of all real estate in the County. The base of the personal property is the market value of all automobiles, trailers, boats, business equipment, etc., which are taxed as personal property by the County. The tax base of a sales tax is the total

volume of taxable sales.
