Loudoun County Business Tax Filings due March 1, 2021

Loudoun County Commissioner of the Revenue Robert S. Wertz Jr. recently issued notices of business tax filing requirements to business owners for tax year 2021. The notice provides the necessary account number to enable taxpayers to report by Monday, March 1, 2021, their calendar year 2020 gross receipts at loudoun.gov/efile. The license tax or fee can then be paid at loudoun.gov/paytaxes. The filing of receipts and payment of the tax are due by midnight March 1.

Owners of business equipment that was located in Loudoun County on January 1, 2021, must declare it for taxation to the Commissioner of the Revenue at loudoun.gov/efile. The reporting of original cost, year of purchase and item description is due by midnight, March 1. Semi-annual bills for this equipment will be issued by the Loudoun County Treasurer and will be due May 5 and October 5.

Owners of businesses within one of Loudoun's incorporated towns should contact the respective town regarding local license renewal. The reporting of business equipment is made to the Commissioner of the Revenue for all businesses in the county whether within or outside of an incorporated town.

To protect the safety of taxpayers and staff and slow the spread of COVID-19, taxpayers are encouraged to connect with the Commissioner of the Revenue's office virtually. Most transactions with the office can be completed online.
