

Tall Cedars/Stone Springs Intersection Signal to Go Live Next Week

I am pleased to report that VDOT has completed the required pre-turn on inspection and necessary approvals for the traffic signal at the Tall Cedars Parkway and Stone Springs Boulevard intersection in Stone Ridge.

The County's contractor will be placing the signal into flash operation on Monday, November 16. The signal will flash for 72 hours before going into full color operation on Thursday, November 19.

Flash operation is a blinking yellow; drivers should proceed as they do now with stop signs. Please exercise caution when utilizing the intersection while everyone becomes accustomed to the new intersection control.
