### Dear Broad Run Friends and Neighbors,

The sun is out today and the temperatures rose just in time for the weekend! I hope everyone will have an opportunity to experience the weather this weekend and enjoy the spiritual week we have ahead. Easter, Passover, and Holi are all coming up in the next

several days, and the schools are on Spring Break. I wish everyone a joyous and relaxing time if you are celebrating any of the holidays, or taking a well deserved rest.

On April 6, the Board is slated to officially approve the County budget and tax rate for the next fiscal year. The final real estate tax rate we arrived on is 98¢ per \$100 in assessed value. While this is a 5.5¢ reduction from the current tax rate, it will not necessarily ensure you pay less taxes next year. Whether your tax bill goes up or down will depend on whether your real estate assessment increased or decreased from the previous year. That being said, the 98¢ tax rate is well below the tax rate the Board was discussing when we began the budget process. The Board was able to fund many county services while keeping the tax rate as low as we reasonably could. I know this has been a hard year financially for many in Loudoun and I am pleased to see the tax rate at which we ended up.

Some of the services the Board was able to achieve were an expansion of the county's drug court to double its capacity, beginning a body-worn camera program for all law enforcement officers in the county, fully staffing all county departments to ensure quality service for county residents, and funding the LCPS request with a 4% raise for all teachers to secure a funding match from the Commonwealth.

If you feel your assessment for next year was not calculated accurately, you can contact the Commissioner of Revenue's office to explore options for an appeal. The Commissioner of Revenue is an independently elected official in Loudoun who is responsible for assessing real estate in the county. Residents have until June 1 to appeal their assessment to the Board of Equalization via the Commissioner's office. Commissioner Wertz's office contact information can be found here: [loudoun.gov/99/Commissioner-of-the-Revenue](https://loudoun.gov/99/Commissioner-of-the-Revenue).

I would also like to remind everyone to register to receive the COVID-19 vaccine at [Vaccinate.Virginia.Gov](https://Vaccinate.Virginia.Gov). The registration is open to all Virginia residents and workers regardless of whether you currently fall into a priority category. Please check to make sure your friends and family have registered as well. After registering you will be contacted when it is your time to receive the vaccine.

Loudoun is now vaccinating all those who fall in the phase 1b category, which includes several career fields, adults with high-risk conditions, and those aged 65+. The Health Department has informed the Board that everyone who was 65+ on Loudoun's waitlist has been vaccinated. Therefore, if you or someone you know is 65+ and either works or lives in Loudoun, please contact the Health Department at [health@loudoun.gov](mailto:health@loudoun.gov) or 703-737-8300 to schedule an appointment as soon as possible.

In other news around the district, the Ashby Ponds traffic signal has finally been updated to allow for signalized left turns! It has been over a year long process to make this change and I am happy to see it finally in affect. Additionally, a traffic signal at Demott Drive and Mooreview Parkway is being installed by Van Metro in accordance with their new development nearby. This signal will not be operational until closer to the end of the year, but it is being installed now.

I want to call attention to the first item below in the newsletter: the Broad Run District seat on the Parks, Recreation and Open Space Board. If you are looking for an opportunity to serve the greater Broad Run community, and have an interest in parks, please consider applying to fill the seat. In addition to the Parks Board, the Board of Supervisors has also created a new Loudoun Environmental Commission. That commission also has many open seats for experts in the environmental field. Information on both advisory bodies can be found at [Loudoun.gov/Advisory](https://loudoun.gov/Advisory).

Lastly, I went to two events this past week which I thought I would highlight. On Monday, I attended the "topping out" ceremony for the courthouse expansion in Leesburg. This was a celebratory event to mark the completion of the steel framing of the 90,000 square-foot courthouse expansion. This expansion will provide a drastic increase in the quality of service residents experience when they visit the courthouse. As Chair Randall said at the event, difficult trials happen at the courthouse, but marriages and adoptions happen there too.

The second event I attended was a visit to the vaccination POD at Dulles Town Center, on Wednesday, to show my appreciation to the volunteers working the site. I also went to thank the Data Center

Coalition for sponsoring lunch every day this past week for the site volunteers. Broad Run's very own Ford's Fish Shack was the chosen caterer for the meals and I spoke with many volunteers who truly appreciated the delicious food.

As always, please reach out to me regarding any matters affecting the Broad Run District, or if I can answer any questions.

Sincerely,  
Sylvia

## Return to School 2021 Planning

On March 17, 2021, Interim Superintendent Dr. Scott Ziegler announced that Loudoun County Public Schools (LCPS) will begin offering in-person instruction four days a week on Tuesday, April 20, to students currently enrolled in the hybrid model. This expanded instructional model will modify some of LCPS' mitigation strategies. These adjustments are explained in an FAQ document: [lcps.org/ReturnToSchool2021](https://lcps.org/ReturnToSchool2021).

## Loudoun County Officials Recommend Against Spring Break Travel; Urge Continued Vigilance

The Loudoun County Health Department continues to discourage non-essential travel at this time, particularly for spring break and upcoming holidays, to slow the spread of COVID-19 and limit the potential of bringing variant forms of the coronavirus back into the community. [Read More.](#)

## Getting a COVID-19 Vaccine: Pre-Registration to Appointment

The current process for receiving a COVID-19 vaccine can be confusing. You may have heard about the names of different systems and be wondering what happens after you submit a pre-registration form. We explain the whole process for you here: [Read More.](#)

It is important to understand that the pre-registration process is necessary because there is not a sufficient supply of COVID-19

vaccine to vaccinate everyone right now. When vaccine quantities are limited, public health officials identify those who should receive the vaccine first using a number of criteria. The Virginia Department of Health (VDH) has [outlined priority groups and categories](#) to systematically vaccinate individuals.

### **Loudoun to Host Free Twice-Weekly COVID-19 Testing**

Loudoun County has scheduled more free, drive thru COVID-19 testing events through April. Beginning March 30, 2021, testing events will be held on Tuesdays only, and end one hour earlier than the testing events held over the past two months. [Read More](#).

The new COVID-19 testing schedule is now Tuesdays, 10:00 a.m. – 1:00 p.m. at the following locations:

- **March 30:** Franklin Park, 17501 Franklin Park Drive, Purcellville
- **April 6:** Philip A. Bolen Memorial Park, 42405 Claudia Drive, Leesburg
- (Enter the park on Crosstrail Boulevard from Sycolin Road.)
- **April 13:** Cascades Library, 21030 Whitfield Place, Potomac Falls
- (Access the testing location in the back parking lot, near the senior center.)
- **April 20:** Dulles South Recreation & Community Center, 24950 Riding Center Drive, South Riding

### **Loudoun County Expands COVID-19 Vaccinations to Include All Essential Workers in Virginia's Phase 1b Priority Group**

The Loudoun County Health Department is announcing that effective today, Friday, March 19, 2021, Loudoun County will begin expanding COVID-19 vaccination opportunities to all [Virginia Department of Health Phase 1b priority groups](#), which include people 65 years of age, people 16-64 years of age with high-risk

medical conditions, and eleven categories of front-line essential workers.

The Phase 1b list of essential workers includes:

1. Police, fire and hazmat personnel
2. Corrections and homeless shelter workers
3. Childcare/PreK-12 teachers/staff (public and private)
4. Food and agriculture workers (including veterinarians)
5. Manufacturing workers
6. Grocery store workers
7. Public transit workers
8. Mail carriers (USPS and private)
9. Officials needed to maintain continuity of government (including judges and public-facing judicial workers)
10. Clergy/Faith leaders
11. Janitorial/Cleaning staff

Anyone who has not yet submitted a pre-registration form for a COVID-19 vaccine is encouraged to submit an online pre-registration form at [vaccinate.virginia.gov](https://vaccinate.virginia.gov). Anyone who does not have access to the internet may pre-register for a vaccine by calling 1-877-VAX-IN-VA (1-877-829-4682).

Loudoun County anticipates the ability to further expand the vaccinations to the Phase 1c priority group in April. The Virginia Department of Health has announced that anyone who is over the age of 16 and lives or works in Virginia will be eligible for a COVID-19 vaccine in Phase 2 of the state's vaccination efforts, which is expected to begin by May 1, 2021. ### **Governor Northam Announces Limited Capacity Increases for Indoor and Outdoor Gatherings, Some Entertainment Venues**

Governor Ralph Northam announced that as COVID-19 vaccinations continue to rise in Virginia, certain sports and entertainment venues may begin to operate with additional capacity and indoor and outdoor gathering limits will increase starting Thursday, April 1. He amended Executive Order Seventy-Two

with the next steps of the “Forward Virginia” plan to safely and gradually ease public health restrictions while mitigating the spread of the virus. More than two million Virginians, or approximately one in four people, have now received at least one dose of the COVID-19 vaccine. [Read More](#).

### **Stay Vigilant in Slowing the Spread of COVID-19**

As we wait for the supply of COVID-19 vaccine to catch up to demand, it is more important than ever to continue to follow all [current guidance from the Centers for Disease Control and Prevention](#) to protect yourself and your family against COVID-19, such as staying home when possible, wearing face masks when out, maintaining 6 feet of physical distance from others, washing hands frequently or using hand sanitizer with at least 60 percent alcohol.

### **Stay Informed About COVID-19**

Additional information about the ongoing vaccination efforts will be published by the county as it becomes available. The project consists of filling in the recently closed quarry to create a centerpiece lake surrounded by high-density, high-rise spaces of residential, retail, commercial, cultural, and office uses. This development will take decades to fully build-out.

as a rezoning from a church property to high-density residential. The developer will build 384 multifamily units, including 44 attainable housing units. The developer will construct a roundabout at the intersection of Waxpool Road and Faulkner Parkway. If, for some reason, the developer is unable to construct the roundabout, they must pay the county \$9.6 million.

## TRANSGENDER DAY OF VISIBILITY

DID YOU KNOW?

Transgender Day of Visibility is honored each year on **March 31st**. On this day, we celebrate the bravery and authenticity of transgender and gender non-conforming people from all across the world, and we highlight the challenges many still face. Anthropologists have observed gender non-conformity in human populations throughout the world as far as 3,000 years into the past (Uruqart, 2019).

### Why do Trans students need more visibility?

Trans, nonbinary, and genderfluid students face many challenges in school, often more so than their LGB peers. According to a National School Climate Survey conducted by GLSEN (2019):

42.5%

of students reported feeling unsafe at school because of their gender expression.

91.8%

of students reported hearing negative remarks about their gender expression at school.

ONLY 9.0%

of students reported that teachers stepped in when overhearing negative remarks about gender expression.

#### AS A RESULT,

these students were more likely to:

- miss school or drop out
- have lower GPAs
- not have plans to attend college
- experience depression

READ THE FULL REPORT

### How can I best support my students?

Supportive, affirming school policies and teaching practices can impact transgender and gender non-conforming students in positive ways. However, according to GLSEN, only "50.4% of teachers engaged in at least one LGBTQ-supportive practice"
