

Dear Leesburg Resident,

We have been working with LCPS and the Health Department to bring localized vaccination events to communities throughout the County. The first one will be in Leesburg on Sunday, June 13th from 11:00 am to 6:00 pm. All events will be using Pfizer so that we can vaccinate our young people, as well as anyone in the community who wishes to get their vaccine. We will also have translators available to assist individuals who speak Spanish. The events are free and are open to anyone regardless of health insurance or immigration status. Individuals may [preregister](#) (event code LSBRGSCH), if they want to reserve a time, or they may walk in on the date of the event. The details of the vaccination event are below. Thank you.
