Loudoun County is hosting an online meeting to gain input from the public on the proposed extension of Shellhorn Road to connect with the Sterling Boulevard extension. The public information meeting will be held on Monday, July 26, 2021, from 6:00 – 7:00 p.m. Members of the public are invited to join the virtual meeting to learn, ask questions and provide input about the project.

Links to login information and meeting materials are available for review at loudoun.gov/shellhornextended and loudoun.gov/remoteparticipation. Meeting materials include a preliminary design and speaker sign-up and comment forms. Members of the public must sign up in advance by 12:00 p.m., Friday, July 23, 2021, to ask questions during the event. Online participants may also send questions to the project team during the meeting as chat messages, which will be answered as time allows.

This portion of the Shellhorn Road extension project will extend Shellhorn Road from the northern boundary of the Metropolitan Washington Airports Authority property east to connect with Sterling Boulevard extended. The project will also realign a portion of Lockridge Road and extend Randolph Drive to link with Old Ox Road (Route 606).
