Updated Hours for COVID-19 Vaccination Clinic at Dulles Town Center Effective July 27; Clinic to Close August 24

As demand for COVID-19 vaccine from Loudoun County continues to decrease and as more providers in the community continue to offer COVID-19 vaccine, Loudoun County is adjusting the hours of operation at its Dulles Town Center clinic effective Tuesday, July 27, 2021. In addition, the clinic will close permanently on the evening of Tuesday, August 24, 2021.

Hours of Operation for Appointments and Walk-in Service

Effective July 27, the hours of operation at the county's Dulles Town Center clinic will change slightly. The clinic will continue to be open three days per week for walk-in vaccinations; however, the clinic will open one hour later on Tuesdays and close three hours earlier on Fridays.

Hours Effective July 27 – August 24:
- Monday: Closed
- Tuesday: 4:00 – 6:30 p.m.
- Wednesday: Closed
- Thursday: Closed
- Friday: 9:30 a.m. – 12:00 p.m.
- Saturday: 9:30 a.m. – 12:00 p.m. (closed Aug. 14)
- Sunday: Closed

Please note that the clinic will be closed to the general public Saturday, August 14, for a closed vaccination event.

To review the current and future hours of operation at the Dulles Town Center vaccination clinic, and to make an appointment for a COVID-19 vaccination, visit the county's website at loudoun.gov/covid19vaccine.

Clinic to Close Permanently August 24

Loudoun County's COVID-19 vaccination clinic at the Dulles Town Center will close permanently effective at 6:30 p.m. on Tuesday, August 24, 2021.

The county will continue to provide first and second doses of COVID-19 vaccine through the regularly scheduled hours on Tuesday, August 24; however, individuals who receive their first dose within 21 days (Pfizer) or 28 days (Moderna) of the clinic's closure must receive their second dose from another COVID-19 vaccine provider.

Second Doses of Vaccine:
- **Pfizer**

- People who receive their first dose of Pfizer vaccine on or before August 3, may receive their second dose by the time the clinic closes on August 24.
- People who receive their first dose of Pfizer vaccine between August 6 and August 24 must receive their second dose at a location other than the Dulles Town Center clinic. Loudoun County will provide information to these individuals on where to receive their second dose.

- **Moderna**
  - People who receive their first dose of the Moderna vaccine on or before July 27 may receive their second dose by the time the clinic closes on August 24.
  - People who receive their first dose of the Moderna vaccine between July 30 and August 24 must receive their second dose at a location other than the Dulles Town Center clinic. Loudoun County will provide information to these individuals on where to receive their second dose.

Get a COVID-19 Vaccine

Anyone age 12 and older who has not yet received a COVID-19 vaccine is encouraged to receive one as soon as possible. People may walk into the county's COVID-19 vaccination clinic at Dulles Town Center, 21090 Dulles Town Circle, Sterling, without an appointment to receive a COVID-19 vaccine. Anyone under 18 must be accompanied by a parent or legal guardian.

- View the hours of operation.
- Schedule an appointment now.
- Plan your trip to the clinic.

COVID-19 vaccines also are being offered through various community events in Loudoun County this summer. The next scheduled event is Saturday, August 7, 2021, from 11:00 a.m. – 6:00 p.m. at Bluemont Community Center, 33846 Snickersville Turnpike, Bluemont. More information is posted at loudoun.gov/vaccineevents.

Vaccines are also available from many other providers in the community, such as local pharmacies. To find a COVID-19 vaccine provider near you, visit vaccines.gov.

More Information

Anyone with questions about receiving a COVID-19 vaccine may call 703-737-8300 or send an email to health@loudoun.gov.
