Committee Memberships:

- Board of Supervisors
[Transportation and Land Use Committee](#)
- Board of Supervisors & School Board [Joint Committee](#)
- Metropolitan Washington Council of Governments [Air Quality Committee](#)
- Northern Virginia Transportation Authority
[Planning Coordination Advisory Committee](#)
- Chair of the [Route 28 Transportation Improvement District Commission](#)
- Loudoun County [Disability Services Board](#)

Dear Broad Run Friends and Neighbors,

As we head into August, I hope everyone is having a pleasant summer and enjoying getting outdoors while we have the warm, sunny weather. During the month of August, the Board of Supervisors is on recess and does not hold any meetings. That being said, the

Broad Run team and I are still spending time in the office, so please feel free to email or call should you have any questions or concerns around the district.

I want to start off this newsletter by announcing that COVID-19 cases are rising again in Loudoun County. The Loudoun Health Department is still administering vaccinations at the Dulles Town Center vaccination site (at the old Nordstrom); however, this vaccination clinic will close on Tuesday, August 24. If you are researching the vaccine and its availability, more information can be found in the "COVID-19" section of this newsletter.

July has been a busy month for the Board of Supervisors, and many of the items we saw are returning this fall on our meeting agendas to receive input from county residents. On September 8, the Board will decide whether or not to [institute \\$0.40 tax](#) on a packet of cigarettes sold in Loudoun. On October 13, the Board will consider a county ordinance to [allow county government employees the ability to formally unionize](#) (this does not include LCPS employees). The meeting on October 13 is a public hearing, and will not be the final determination from the Board on this item. The Board also gave the go ahead to begin the process of [creating a county-run Health Department](#) instead of the state-run Health Department we currently have. This is also not the final determination on the health department topic and is just one of several steps. I am inclined to support all of these initiatives as I believe they will make our county healthier, fairer, and run more smoothly. That being said, please feel free to email me your thoughts on any of the matters before the Board.

July has also been a busy month for me in the Broad Run District. This month I was a guest at HOA meetings with the Brook Haven, Stonegate, and Autumn Oaks communities; participated in ribbon cuttings for the Silver Diner, the Davis Drive extension, and the new Loudoun Animal Shelter; and attended the National Association of Counties conference to discuss with other local officials how we can best represent constituents on the local level. These events were wonderful showings of all the great things happening around the district, and I am glad we can finally participate in them again after over a year of missed opportunities to highlight our accomplishments.

Lastly, there are still seats available as the Broad Run District Representative on two Loudoun County advisory bodies. If you are interested in serving on either the Animal Advisory Board or the Transit Advisory Board, please apply through the link in the newsletter below.

As always, please reach out to me regarding any matters affecting the Broad Run District, or if I can answer any questions.

Sincerely,
Sylvia

Loudoun Seeking Public Input to Rename Route 7 and Route 50

Loudoun County is seeking public input for the renaming of Harry Byrd Highway (Route 7) and John Mosby Highway (Route 50). Members of the public are encouraged to visit the [renaming project page](#) to submit names for consideration.

Individuals should first use the county's [online tool](#) to check a proposed name against the naming criteria. In addition to meeting the local and state naming standards, the names should be appropriate to Loudoun County and northern Virginia history and culture, reflect the natural or cultural geography of Loudoun County, are not already used or sound like another street in Loudoun County, and are considerate, sensitive and respectful to all Loudoun County residents.

Then, individuals should submit names through an [online form](#), which is open now through Friday, July 23, 2021. The public submissions will be reviewed for regulatory compliance and to meet the local and state naming standards.

A task force, comprising representatives from throughout the community, will narrow the list down to ten alternate names for each roadway, which will be reviewed and approved by the Board of Supervisors in September. Following the board's review, the public will then rank the short list of names in order of preference. The Board of Supervisors will review the public's recommendations and approve the new names in December.

The approved name for each roadway will be sent to the Virginia Department of Transportation and the Commonwealth Transportation Board for ultimate approval.

In December 2020, the Loudoun County Board of Supervisors initiated the process of renaming Harry Byrd Highway (Route 7) and John Mosby Highway (Route 50) in collaboration with regional jurisdictions.

Route 7 extends across the entire county and connects with Clarke County to the west and Fairfax County to the east. Harry F. Byrd Sr. was the governor of Virginia from 1926 to 1930 and a U.S. senator from 1933 to 1965. A proponent of Virginia's highway system, he was an opponent of school desegregation. The State Highway Commission named Route 7 in memory of Harry Byrd on November 21, 1968.

Route 50 also extends across the entire county and connects with Fauquier County to the west and Fairfax County to the east with

portions of it weaving in and out of Fauquier County. The road is named John S. Mosby Highway in Fauquier County. Route 50 in Fairfax County immediately adjacent to Loudoun is named Lee Jackson Memorial Highway. The General Assembly named Route 50 in memory of John Singleton Mosby, a Confederate Army colonel, on April 1, 1982.

The renaming of these two roadways is one of two projects that have resulted from the Board's initiation, in September 2020, of a review of Confederate and segregationist symbols in the county.

For more information about the Renaming Route 7 and Route 50 project, including a link to sign up for updates about the project and information regarding upcoming public meetings, visit the [project page](#).

Apply to Serve as the Broad Run District Representative on Either of Two Loudoun County Advisory Bodies

Animal Advisory Committee

A position to represent the Broad Run District on the Animal Advisory Committee has become available. The Animal Advisory Board serves as an advisory capacity to the Board of Supervisors and the Director of Animal Services on the effectiveness of the Loudoun County Department of Animal Services; promotes public awareness of the Department of Animal Services; and serves as ombudsman for Animal Service issues and concerns.

Meeting times: Animal Advisory Committee meetings are currently held virtually from 7:00pm to 9:00pm on the fourth Wednesday of each month. In-person meetings in Leesburg are scheduled to return in September.

Learn more about TAB: [Loudoun.gov/433/Animal-Advisory-Committee](https://loudoun.gov/433/Animal-Advisory-Committee)

Interested applicants must fill out the online application form: <https://lfportal.loudoun.gov/Forms/AdvisoryApp>

Transit Advisory Board

A position to represent the Broad Run District on the Transportation Advisory Board (TAB) has become available. TAB serves as an advisory capacity to the Board of Supervisors and recommends ways to improve existing transit options in the county, and provides analysis on any proposed changes or additions to transit routes.

Meeting times: TAB meetings are currently held virtually at 6:30pm on the third Wednesday of each month. In-person meetings in Leesburg are scheduled to return in September.

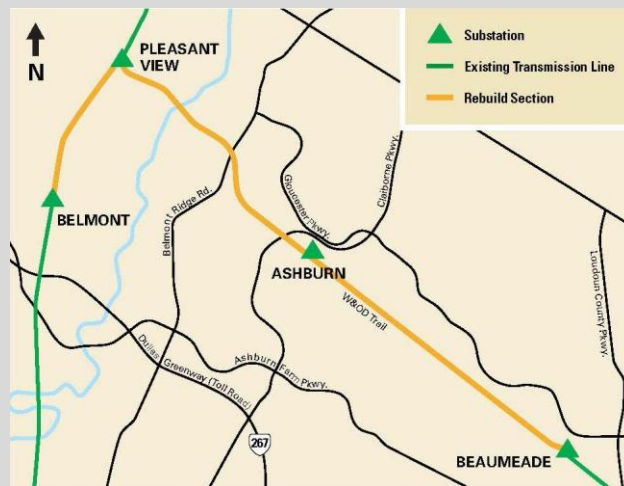

Learn more about TAB: [Loudoun.gov/3665/Transit-Advisory-Board](https://lfpportal.loudoun.gov/Forms/AdvisoryApp)

Interested applicants must fill out the online application form: <https://lfpportal.loudoun.gov/Forms/AdvisoryApp>

Dominion Energy's W&OD Trail Power Line Project

Beaumeade to Pleasant View and Line 227

This project will rebuild an existing 230 kV electric transmission line conductor located in Ashburn. The 5.5-mile line project area is along the W&OD Trail. It connects from Dominion's Beaumeade Substation on Smith Switch Road, to Dominion's Ashburn Substation near Claiborne Parkway, and ends at Dominion's Pleasant View Substation off Cochran Mill Road in Leesburg. Dominion will complete work in two phases:

Phase 1

Pre-construction activities are scheduled to begin August 2021 through late September 2021. Work will start at the eastern end of

Smith Switch Road and end just south of Claiborne Parkway at the Ashburn Substation.

- Minor right of way clearing will be conducted in the transmission line corridor around impacted structures along the W&OD gravel trail.
- Additional gravel access paths will be installed along the transmission line corridor.

Phase 2

Construction activities will begin mid-September 2021 through December 2021.

- In preparation for the removal of the old transmission conductor and installation of the new transmission conductor, equipment will be staged along the electric transmission line corridor. Crews will have to climb some of the structures, while others can be accessed with a bucket truck for the installation.

Each phase will require the temporary closure of both the W&OD gravel and paved trails. However, during phase 1, only one trail will be closed at a time. Also, to ensure the safety of pedestrians and cyclists, flaggers and spotters will be onsite, and signs will be posted at specific locations to notify trail users of detours.

Loudoun County Government Updates

Next Household Hazardous Waste Event is July 31 in Lovettsville

The next Loudoun County Household Hazardous Waste (HHW) collection event is scheduled for Saturday, July 31, 2021, 8:30 a.m. - 2:30 p.m., at Lovettsville Elementary School, 49 South Loudoun Street, Lovettsville. Loudoun residents are welcome to bring HHW from their homes to the event, free of charge. [Read More](#).

Loudoun County Transit Announces Commuter Bus Service Adjustments Beginning August 2

Loudoun County Transit will modify Commuter Bus Service beginning Monday, August 2, 2021. Due to changes in passenger demands, new Commuter Bus routes will be added to increase service at Dulles South (Stone Ridge II) and East Gate Park and Ride lots, and to add new service at Purcellville and Harmony Park and Ride lots. Schedules and stops for existing routes will also be modified. Details on the service adjustments are available online at loudoun.gov/buschanges. [Read More](#).

County Offers Free Education & Support for Caregivers

The Loudoun County Area Agency on Aging (AAA) is offering free, virtual education sessions to help ease the burden and stress of caring for loved ones. The August/September series begins Tuesday, August 3, 2021. All sessions are held from 1:30 p.m. to 2:30 p.m. EST. The series includes the following sessions: [Read More](#).

VCE Loudoun Master Gardeners In-Person Lecture Set for August 12

Join the VCE Loudoun Master Gardeners on Thursday, August 12, 2021, at 7:00 p.m. at Rust Library, 380 Old Waterford Road NW, Leesburg, for the lecture: "Trails at the Museum of the Shenandoah Valley" with Director of Gardens Perry Mathewes. [Read More](#).

Volunteers Needed to Deliver Meals to Homebound Seniors

The Home Delivered Meals Program (HDM), administered by the Loudoun County Area Agency on Aging, urgently needs volunteers 18 and older who will safely deliver nutritious, noontime meals to individuals confined to their home. Drivers are needed weekdays in the Leesburg area. HDM volunteers use their personal vehicle to deliver the meals along a specified route. [Email the volunteer program](#) or call 703-771-5984 to volunteer. Find more information about the program at loudoun.gov/adultvolunteers.

Loudoun Workforce Resource Center Certified as One-Stop Center

The Loudoun Workforce Resource Center has been certified as a Virginia Career Works One-Stop Affiliate Center site by the Virginia Board of Workforce Development (VBWD). The VBWD sets policies and oversees operations of the U.S. Workforce Innovation and Opportunity Act at job centers throughout the state. For more information about the services provided by the Loudoun Workforce Resource Center, contact the center at 703-777-0150 or visit loudoun.gov/wrc. [Read More](#).

County Launches Virtual Line for Community Development In-Person Services at Government Center

Loudoun County has launched a new online system that allows people who are seeking in-person services from the county's community development departments to make an appointment or to get in a virtual line from anywhere. The new system is designed to improve the experience for the county's customers at the Government Center in Leesburg through the added convenience of the new system, which allows people to reduce or eliminate physically waiting in line for services. [Read More](#).

LCISO Announces Pilot Program to Empower People in Crisis

Loudoun County Sheriff Mike Chapman announced the implementation of a pilot program to help empower members of the community who are affected by mental health illness and drug addiction. This summer, the newly formed Loudoun Sheriff's Office Community Assistance Response and Empowerment (C.A.R.E.) Team will assign one full-time deputy per shift to exclusively respond to and follow-up on mental health, suicide, overdose, and other calls for service involving critical issues. "As part of the C.A.R.E. Team, our deputies will conduct follow-ups to ensure families have adequate resources, services, and support," said Loudoun County Sheriff Mike Chapman. [Read More](#).

Northern Virginia Minority-Owned Business Working Group Releases Regional Report, More Data Needed in Loudoun County

Loudoun Economic Development was proud to partner with the Community Foundation for Northern Virginia, Northern Virginia Regional Commission, and its counterparts in Fairfax County, Prince William County, Alexandria and Arlington to compile a report, released last week, of data and recommendations for best serving the minority-owned business community in the aftermath of COVID-19. [Read More](#).

Advice on How to Beat the Heat; Storms Also in the Forecast

With the weather forecast calling for high temperatures in the 90s, elevated humidity levels and a chance of thunderstorms with damaging wind gusts throughout the week, Loudoun County officials advise residents to be prepared and take precautions to prevent heat-related illness and possible storm damage. [Read More](#).

Important Fire Safety Reminders After Two Accidental Fires

Fires caused by the improper disposal of smoking materials have not only resulted in millions of dollars in damages to Loudoun County homes, they also needlessly endanger citizens and fire and rescue personnel. These fires are preventable! Follow these safety precautions when discarding smoking materials: [Read More](#).

- Dispose of smoking materials ONLY in a metal or ceramic container filled with sand or water.
- Remember that mulch, potting soil, etc. is combustible and will burn quickly when exposed to heat.
- Place smoking receptacles away from the home, NOT on the front porch, balcony, deck, or outside your door.
- Remember, "Put it out, all the way, every time!"

New Loudoun County Animal Services Facility to Open July 30

Loudoun County invites members of the public to attend the ribbon cutting ceremony and a series of grand opening events for the new location of the Loudoun County Animal Services (LCAS) facility located just outside the Town of Leesburg adjacent to Philip A. Bolen Memorial Park. The ceremony marks the conclusion of more than two years of construction.

Grand Opening Events, July 31 – August 1

The animal shelter will be open for regular business hours July 31 – August 1. Adoption hours will be 11:00 a.m. - 6:00 p.m.

In addition, throughout the weekend, LCAS will host a series of grand opening events that are free and open to the public. Some events require pre-registration.

- 11:00 a.m. - Noon, Touch-a-Truck: Meet a Humane Law Enforcement Officer, learn about their vehicle, equipment and how they help animals in Loudoun County.
- 11:00 a.m. - 5:00 p.m., Guided Tours: Guided tours of the new facility on the hour.
- 12:00 p.m., Busy Buddies: Join LCAS staff for animal enrichment activities and learn about the importance of keeping pets' minds busy! Volunteers of all ages are welcome.
- 4:00 p.m., Critters & Crafts: Kids of all ages are invited to the community room for a fun craft and animal activity!

For more information about the grand opening events and to pre-register for activities, visit loudoun.gov/animalsgrandopening.

Directions to the New Facility

All visitors to the new Loudoun County Animal Services facility must access the site from Sycolin Road in Leesburg. From Sycolin Road, drivers should enter on Crosstrail Boulevard, pass by Segra Field and Bolen Park to Kincaid Boulevard, and finally to Adoption Drive. Guests are asked to park along Kincaid Boulevard.

NOTE: The new facility currently cannot be accessed via Kincaid Boulevard from Battlefield Parkway because the road is not yet open to through traffic north of Adoption Drive. GPS may direct you to this unopened route and therefore visitors are encouraged to follow the directions listed above and access the new facility from Sycolin Road. The Waze app provides correct guidance via Sycolin Road.

About the New Facility

The new, 21,450-square-foot facility includes an animal shelter, replacing the existing shelter in Waterford. The new facility will serve as the operational headquarters of LCAS and will be the first public shelter in the United States to meet 100% of the Association of Shelter Veterinarians Animal Shelter Guidelines, the gold standard for animal sheltering.

The new facility also expands many of the existing services provided at the current animal shelter, including pet adoptions; humane law enforcement; housing of stray, abandoned, or relinquished companion animals; dog license sales; volunteer opportunities; dispatch services; educational programs; and pet retention counseling. In addition, for the first time, the new facility will feature a veterinary clinic and surgical suite for medical treatment of shelter pets.

More Information

To learn more about Loudoun County Animal Services, including which pets are available for adoption, visit loudoun.gov/animals.

Commonwealth of Virginia and Governor Northam Updates

Recreational Marijuana Became Legal in Virginia on July 1

As of July 1, 2021, the cultivation and possession of recreational marijuana, or cannabis, is legal in Virginia, within limits. Loudoun County has posted information online to help residents understand what is allowed and what is not under the [new law passed by the](#)

[General Assembly \(PDF\)](#) in February 2021. Loudoun County encourages residents who may plan to use marijuana to visit the county's website to learn about details of the new law, which will help residents avoid inadvertently breaking the law. More information about the legalization of recreational marijuana is online at [Loudoun.gov/Marijuana](https://loudoun.gov/Marijuana). [Read More](#).

New Virginia Laws Took Effect July 1

Governor Ralph Northam highlighted new laws that took effect July 1 with the start of the new fiscal year in the Commonwealth. During one of the most consequential legislative sessions in modern Virginia history, Governor Northam worked with the General Assembly to advance policies that confront the biggest challenges facing Virginians, take steps to end racial disparities in Virginia, and help the Commonwealth recover from the impacts of the pandemic. [Read More](#).

Governor Northam Announces Extension of Expanded Child Care Subsidy Program for Virginia Families

Governor Ralph Northam announced that Virginia families with young children will have improved access to quality, affordable child care through an extension of the expanded Child Care Subsidy Program. The Governor has directed the Virginia Department of Education to use existing federal funding to continue covering co-payments for families through December 31, 2021. For more information about child care assistance in Virginia or to apply for the Child Care Subsidy Program, visit ChildCareVA.com. [Read More](#).

VDOT 2021 Repaving and Resealing

VDOT has released their [map of roads that will be resurfaced in 2021](#). The exact dates for the road work are unknown at this time, as it is dependent on weather and contractor schedules. Resurfacing projects can last from a few days to a few weeks, depending on the size of the project.

Repaving Underway:

- **Russell Branch Parkway** from Ashburn Village Boulevard to Loudoun County Parkway
- **Cascades Parkway** from Route 7 to Nokes Boulevard/Potomac View Road
- **Old Ox Road** eastbound from the Dulles Greenway to Route 28
- **Route 7 Eastbound** from Route 28 to City Center Boulevard

Resealing Underway:

- **Gloucester Parkway** from Winola Terrace/Tillman Terrace to Loudoun County Parkway
- **Old Ox Road** from Pacific Boulevard to Shaw Road

Repaving Scheduled:

- **Ashburn Village Boulevard** from Waxpool Road to Moorefield Boulevard
- **Loudoun County Parkway** from Marblehead Drive to Aquia Way
- **Pacific Boulevard** from Auto World Circle (north) to Waxpool Road
- **Oakgrove Road** from Old Ox Road to Eileen Square
- **Waxpool Road/Church Road** from Pacific Boulevard to Ruritan Circle/Morgan Way

Repaving Complete:

- **Broadlands Boulevard/Shellhorn Road/Faulkner Parkway** from Claiborne Parkway to Waxpool Road
- **Carpenter Drive** from Davis Drive to Glenn Drive
- **Davis Drive** from Glenn Drive to Church Road
- **Glenn Drive** from Davis Drive to First Potomac Way
- **Sally Ride Drive** from Davis Drive to Glenn Drive
- **Smith Switch Road** from Hasting Drive to Waxpool Road/Farmwell Road

COVID-19 Resources and Updates

Always look for websites that end with “.gov” to make sure the information is official. When a vaccine appointment becomes available through a local health district, there will be no charge. State and local agencies will never ask someone for a social security number or immigration status in connection with vaccination. loudoun.gov/5516/COVID-19-Vaccine-Data.

COVID-19 Cases Increasing in Loudoun County; Health Officials Encourage Unvaccinated to Seek Vaccine

Health officials report that over the past month, the number of new cases of COVID-19 have increased significantly in Loudoun County, in Virginia and throughout the United States, fueled by the coronavirus Delta variant.

Loudoun County is now averaging about 30 cases per day, up from about four cases per day in June. At the same time, Loudoun's percent positivity rate has increased from less than 1% to over 3% over the past few weeks. The vast majority of newly infected people are unvaccinated and include individuals in all age groups.

Health officials also have noted that among Loudoun residents who are vaccinated, the most likely risk factor for COVID-19 infection is another infected member of their household who is unvaccinated.

The Health Department strongly recommends that everyone age 12 years and older get a COVID-19 vaccine as soon as possible. Vaccine is free for everyone and widely available from many vaccine providers throughout Loudoun County.

Visit loudoun.gov/covid19vaccine to find a vaccination site near you.

Health officials strongly encourage anyone who is not yet fully vaccinated to continue wearing a mask in all public settings and to continue social distancing to protect yourself and others in the community. Everyone who is sick for any reason should stay home and get tested for COVID-19 if you exhibit [symptoms](#) or may have come in contact with a person who has COVID-19. Learn more about how to protect yourself and others on the [CDC's website](#).

Walk-in Service Available at Loudoun COVID-19 Vaccination Clinic

Effective July 27, the hours of operation at the county's Dulles Town Center clinic will change slightly. The clinic will continue to be open three days per week for walk-in vaccinations; however, the clinic will open one hour later on Tuesdays and close three hours earlier on Fridays.

Loudoun County Clinic to Close Permanently August 24

As demand for COVID-19 vaccine from Loudoun County continues to decrease and as more providers in the community continue to offer COVID-19 vaccine, Loudoun County is adjusting the hours of operation at its Dulles Town Center clinic effective Tuesday, July 27, 2021. In addition, the clinic will close permanently on the evening of Tuesday, August 24, 2021.

COVID-19 Vaccination Clinic Hours Effective July 27 – August 24

- Monday: Closed
- Tuesday: 4:00 – 6:30 p.m.
- Wednesday: Closed
- Thursday: Closed
- Friday: 9:30 a.m. – 12:00 p.m.
- Saturday: 9:30 a.m. – 12:00 p.m. (closed Aug. 14)
- Sunday: Closed

Please note that the clinic will be closed to the general public Saturday, August 14, for a closed vaccination event.

To review the current and future hours of operation at the Dulles Town Center vaccination clinic, and to make an appointment for a COVID-19 vaccination, visit the county's website at loudoun.gov/covid19vaccine.

Second Doses of Vaccine

The county will continue to provide first and second doses of COVID-19 vaccine through the regularly scheduled hours on Tuesday, August 24; however, individuals who receive their first dose within 21 days (Pfizer) or 28 days (Moderna) of the clinic's closure must receive their second dose from another COVID-19 vaccine provider.

Pfizer:

- People who receive their first dose of Pfizer vaccine on or before August 3, may receive their second dose by the time the clinic closes on August 24.
- People who receive their first dose of Pfizer vaccine between August 6 and August 24 must receive their second dose at a location other than the Dulles Town Center clinic. Loudoun County will provide information to these individuals on where to receive their second dose.

Moderna:

- People who receive their first dose of the Moderna vaccine on or before July 27 may receive their second dose by the time the clinic closes on August 24.
- People who receive their first dose of the Moderna vaccine between July 30 and August 24 must receive their second dose at a location other than the Dulles Town Center clinic. Loudoun County will provide information to these individuals on where to receive their second dose.

Get a COVID-19 Vaccine

Anyone age 12 and older who has not yet received a COVID-19 vaccine is encouraged to receive one as soon as possible. People may walk into the county's COVID-19 vaccination clinic at Dulles Town Center, 21090 Dulles Town Circle, Sterling, without an appointment to receive a COVID-19 vaccine. Anyone under 18 must be accompanied by a parent or legal guardian.

- [View the hours of operation.](#)
- [Schedule an appointment now.](#)

- [Plan your trip to the clinic.](#)

COVID-19 vaccines also are being offered through various community events in Loudoun County this summer. The next scheduled event is Saturday, August 7, 2021, from 11:00 a.m. – 6:00 p.m. at Bluemont Community Center, 33846 Snickersville Turnpike, Bluemont. More information is posted at loudoun.gov/vaccineevents.

Vaccines are also available from many other providers in the community, such as local pharmacies. To find a COVID-19 vaccine provider near you, visit vaccines.gov.

Vaccine Safety and Efficacy

COVID-19 vaccines continue to be safe and effective. New vaccines are typically studied in adults first, and then gradually include younger age groups. This is a standardized process intended to study a new vaccine in the safest way possible. Pfizer-BioNTech's request to expand use of the vaccine to 12- to-15-year-olds is based on data from [a clinical trial of 2,260 adolescents that showed](#) that the vaccine was safe and effective in this age group.

Learn more about the safety of COVID-19 vaccine on the [CDC's website](#).

Requesting a Vaccination Record

It is important that parents and everyone who receives a COVID-19 vaccine keep the vaccination card received at the time of vaccination. The Loudoun County Health Department does not provide vaccination records. If you lose the vaccination card and need a record of your vaccination, individuals who created VAMS accounts may obtain a copy of your record in the VAMS system by logging into your account at vams.cdc.gov. In addition, you can contact VDH for a record by [submitting a request form online](#).

After Vaccination

The CDC has published [guidance for fully vaccinated people](#); however, the CDC also recommends that even people who are fully vaccinated keep taking precautions in public places. The Loudoun County Health Department encourages Loudoun residents who received a COVID-19 vaccine to continue taking the steps that help prevent the spread of COVID-19, including:

- Avoid crowds of people.
- Stay 6 feet away from others who do not live in your household at all times until the CDC and VDH change these recommendations.
- Wear a face covering when in public to protect yourself and others
- Wash hands frequently.
- Avoid non-essential travel, particularly with unvaccinated people who do not live in your household.
- Avoid visiting unvaccinated people who are at [increased risk of severe illness or death from COVID-19](#).

Learn more about [how to protect yourself and others on the CDC's website](#).

Stay Informed About COVID-19

Additional information about the ongoing vaccination efforts will be published by the county as it becomes available. You can find up-to-date information at loudoun.gov/covid19vaccine. You can also sign up to receive text or email updates about COVID-19 from Loudoun County:

- Text LCCOVID19 to 888777 to receive text alerts in English.
- Para recibir alertas de texto en español, manda LCCOVIDESP a 888777
- Sign up for email and text updates on COVID-19 in [Notify Me, Blogs category, "Coronavirus \(COVID-19\)"](#).
- Follow Loudoun County on [Facebook](#) and [Twitter](#).
- Visit the county's website, loudoun.gov/coronavirus.

Residents with questions about COVID-19 may call the Loudoun County Health Department's information line, 703-737-8300, or send an email to health@loudoun.gov.

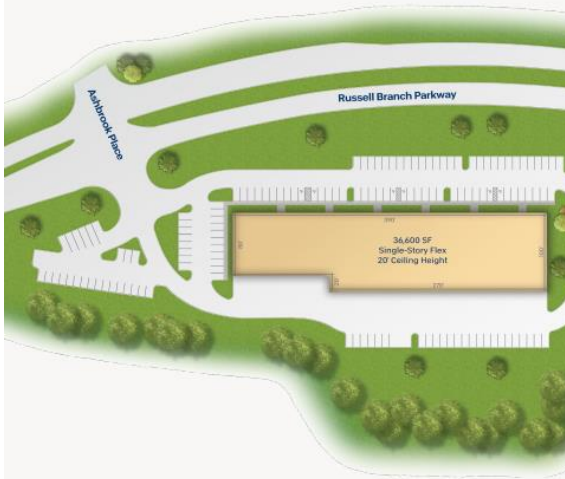

Broad Run District Land Use Projects

Ashbrook ZMAP-1994-0012

No Change

This project, on the southwest side of Russell Branch Parkway across from the intersection with Ashbrook Place, was approved by the Board of Supervisors in 1996. It includes the construction of one flex-industrial office building and the associated parking lot. The building will be similar to those on the north side of Russell Branch Parkway along Ashbrook Place and Atwater Drive. Construction is scheduled to begin in the coming months with the building opening by the end of the year. Building information can be found [here](#).

Ashbrook Residential ZMAP-2018-0004

No Change

This project, at the eastern corner of Ashbrook Place and Russell Branch Parkway, was approved by the Board of Supervisors in December 2019.

The approval was for a rezoning from industrial park to residential to allow for the construction of 190 multifamily units. Sewer installation and road construction have begun.

Building construction will commence in the near future.

The developer will construct the remaining asphalt path on the northeastern side of Russell Branch Parkway from Savin Hill Drive to Ashbrook Place.

**Ashburn Chase / The Regency
at Belmont Chase
ZMAP-2013-0003**

No Change

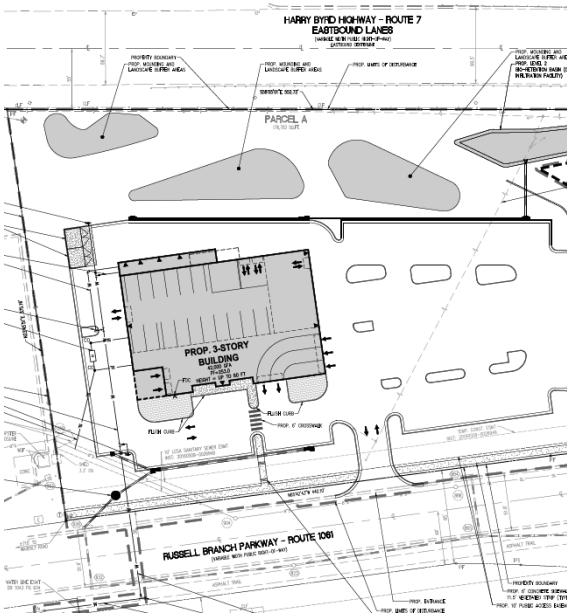

This project, on land in between Claiborne Parkway, Ashburn Road, and Russell Branch Parkway, was approved by the Board of Supervisors in March 2018, and will allow for the construction of 105 age restricted townhomes and up to 100 multifamily attainable housing units, along with a section of retail space. The multifamily units are open and residents have moved in; construction of the townhomes has begun. The developer has installed sidewalks and crosswalks in the area. Retail along Claiborne will soon follow.

**Ashburn Station
ZMAP-2018-0010**

No Change

This project, at the southwest corner of Ashburn Village Boulevard and Waxpool Road, was approved by the Board of Supervisors in December 2019 as a rezoning from 1 residential unit per acre to 24 residential units per acre. Up to 254 residential units will be built. The developer is installing a series of sidewalks and trails to connect the area to the Metro station. The developer also dedicated around 70 acres of parkland to the County. Clearing of existing site vegetation has begun. Utility installation and road construction will commence soon.

Aston Martin & Bentley of Loudoun
ZMAP-2018-0012

No Change

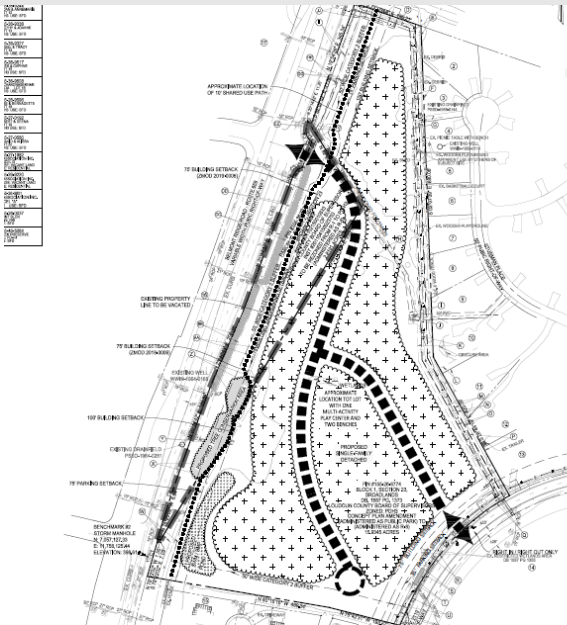

This project, on land between Russell Branch Parkway and Route 7 (Harry Byrd Highway), east of Top Golf and west of the Broad Run, was approved by the Board of Supervisors in December 2019. The application was a rezoning from Office Park to Commercial Center to allow for the construction of a car dealership for vehicle sales and vehicle services. The official groundbreaking was held on Wednesday, February 17, 2021. Site clearing has finished and site preparation has begun. Construction should last for several months with the dealership opening by the end of the year.

Broadlands Demott & Silver
ZMAP-2016-0010
ZMOD-2021-0018

No Change

This project, on land between Demott Drive, the Dulles Greenway, Waxpool Road, and Old Ryan Road, was approved by the Board of Supervisors in December 2019. The application allows Van Metre to construct townhomes and multifamily units, office space, retail space, a hotel site, and educational spaces. Site construction has begun and sales are anticipated to begin in summer 2021. Traffic signals are being installed at Demott Drive/Waxpool Road and Demott Drive/Mooreview Parkway, and will be operational in late 2021.

Broadlands Hillside ZMAP-2019-0005

No Change

This project, on land in between Belmont Ridge Road and Truro Parish Drive, south of the two water towers, was approved by the Board of Supervisors in November 2019.

The approved rezoning provides for the construction of 60 single family homes by Van Metre that will become part of the Broadlands community.

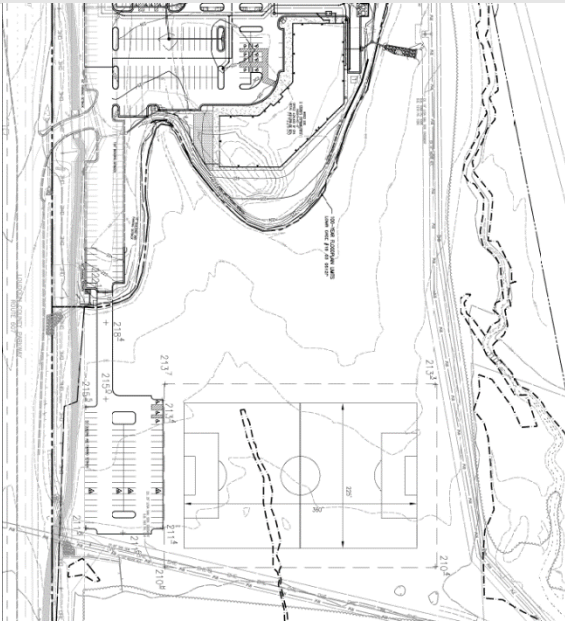

Tree clearing and site preparation is underway. Utility and road construction will begin soon with home sales anticipated to begin as early as fall 2021.

Colonnade ZMAP-2021-0004

No Change

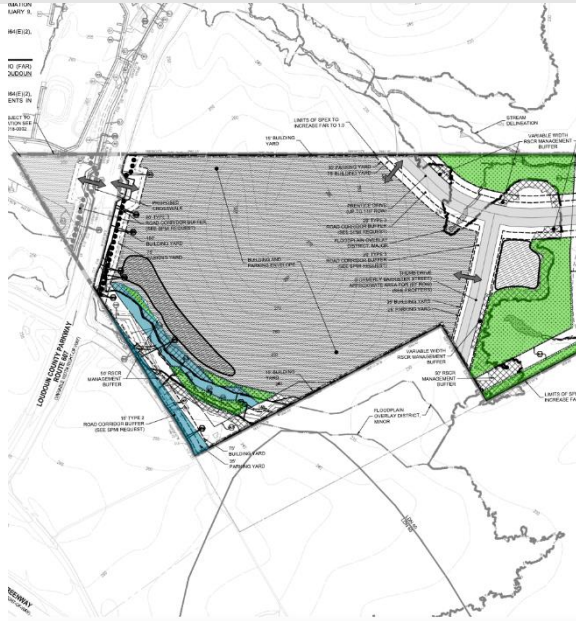

This application is to rezone a 4.15-acre parcel of vacant land, located at the northeast corner of City Center Boulevard and Stefanie Drive in Sterling, from commercial to residential to allow for the construction of up to 60 townhouses. The application was submitted in March 2021 and is currently in the staff referral and comment stage. After moving through the staff analysis, the application will proceed to the Planning Commission and then to the Board of Supervisors.

**Commonwealth Center
ZMAP-2016-0017
ZMAP-2020-0013**

No Change

[This project](#), located on the north and south sides of Russell Branch Parkway and to the east side of Loudoun County Parkway, was approved by the Board of Supervisors in December 2017. The project includes the construction of retail establishments, including the CVS, Silver Diner, gas station, etc. In addition to the retail, a soccer field will be constructed to the south of the Silver Diner. Construction is underway for the field and businesses. The developer has returned with a new application to request over 500 multifamily residential units on the north side of Russell Branch.

**Dulles Berry
ZCPA-2020-0009**

[This application](#), on land northeast of the intersection with Loudoun County Parkway and Shellhorn Road, is to amend the property zoning to increase data center density allowed on the site from 1,671,000 square feet to 4,049,864 square feet. The applicant is also requesting to eliminate the requirement for a landscaping berm along the property frontages on public roads, and to reduce the setback requirements from the property line to buildings. The application was before the Planning Commission at its July 27th Public Hearing and was forwarded to a work session in the fall. The Planning Commission's discussion can be viewed [here](#).

**Edgecore Dulles
STMP-2018-0014**

No Change

This project is to build four data centers, with one supporting out building on land in between Route 28 (Sully Road), Atlantic Boulevard, and Nokes Boulevard. The land was zoned for office park as part of application ZMAP-2007-0001, approved by the Board of Supervisors in 2011. Data centers are an approved, by-right use on land zone for office park. By-right uses are allowed without approval from the Board of Supervisors. Building exterior shell and retaining wall/site work construction is underway and will continue for the foreseeable future.

**Kincora Village Center
ZMAP-2018-0014**

No Change

This project, located at the southwest corner of the Route 7/Route 28 interchange, was approved by the Board of Supervisors on April 20, 2021. The project is an alteration to the previously approved Kincora zoning and consists of allowing an additional 1,000 multi-family housing units (158 of which are attainable housing units), an additional 575,000 square feet of non-residential uses, approval of the two museum uses (NMISO and NVSC), and moves the Children's Science Center to a larger, 5-acre site backing to the Broad Run.

**Moorefield Station
ZMAP-2001-0003**

No Change

This project, approved by the Board of Supervisors in December 2002, allows for the construction of up to 6,000 residential units and up to 9,750,000 square feet of non-residential uses. The newest section of the project to be developed is near the intersection of Croson Lane and Old Ryan Road. There, Toll Brothers is building three bedrooms, two bathroom condos. Over the course of this project's build-out, the developers will install transportation and pedestrian improvements in the area.

**Project NOVA & Loudoun
Center & Digital Loudoun (Left
to Right)**

**ZMAP-2019-0002 & ZRTD-2018-
0001 & ZRTD-2017-0005**

No Change

These projects, located throughout Loudoun's "Data Center Alley," were approved by the Board of Supervisors in 2018 and 2019. All are to allow for the construction of data centers at the identified sites. Construction of most of the data centers is either underway or near completion. Sidewalks and/or asphalt trails have been installed along the road frontages as part of these projects. Construction will last for the next several months.

**One Loudoun 2018
ZMAP-2018-0005**

No Change

This project, at the southwest corner of Marblehead Drive and Loudoun County Parkway, was approved by the Board of Supervisors in November 2019 as a rezoning from commercial center to residential, to allow for the construction of 44 two-over-two multifamily units. Site preparation, utility placement, and construction have begun. The developer will construct a pedestrian bridge over Beaverdam Run on the west side of Loudoun County Parkway.

**One Loudoun 2021
ZCPA-2021-0002**

The developers of One Loudoun have submitted a zoning amendment application to add an additional 1,954 multi-family residential units (including 98 attainable housing units) in the currently undeveloped sections of the community south of Route 7 and west of Loudoun County Parkway. The application is currently in the Loudoun County planning and zoning staff review process. The application has not yet been scheduled to appear before the Planning Commission nor the Board of Supervisors.

**Rivana at Innovation Station
ZMAP-2021-0003**

No Change

This application is for a 103-acre transit-oriented development on the border of Loudoun and Fairfax counties.

The current plans for the Loudoun section of Rivana include: Nearly 2,000 multifamily housing units; 1.8 million square feet of Class-A office space; A 185,000-square-foot retail village; A 265-room boutique hotel; A network of green and public spaces, including an 11-acre park. Phase 1A is scheduled to open for tenants in 2024. The property is bounded by Route 28, the Dulles Toll Road, Innovation Avenue, and the county line with Fairfax.

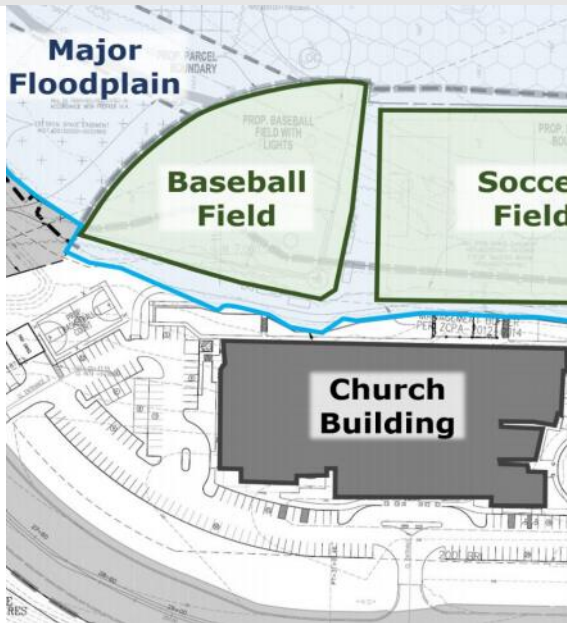

**Silver District West
ZMAP-2013-0006**

No Change

This project was approved by the Board of Supervisors in March 2019 as a rezoning from industrial and office park to transit center. The

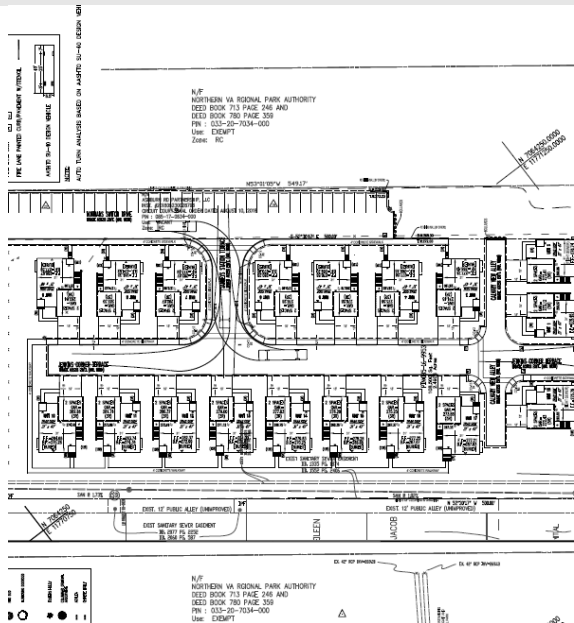

development is in both the Broad Run and Dulles Districts, with the portion in Broad Run located at the western corner of the Dulles Greenway and Loudoun County Parkway interchange. The development has approval to construct up to 3,706 residences and over 1 million square feet of non-residential space in an urban, transit-oriented environment. A series of road improvements will be built through this project.

Temple Baptist Church ZCPA-2019-0005

No Change

This project, located on the west side of Russell Branch Parkway, just north of Gloucester Parkway (across from the Kincora fire station), was approved by the Board of Supervisors on January 19, 2021. The application is to allow for the construction of a baseball field and a soccer field in the floodplain of the Broad Run, along with an associated church and school building located outside of the floodplain. The church is prohibited from using pesticides & excess fertilizers on the fields, and conveyed an acre of land to the county to be used for a future trail connection.

Trailview Ashburn STPL-2016-0023

No Change

This project is located in Old Ashburn on land in between Ashburn Road, Jenkins Lane, and the Washington and Old Dominion trail. The project includes the construction of 18 single family homes with associated parking spaces, roadways, and sidewalks. This project was allowed by-right, which means a property owner has the right to construct and subdivide their land into certain uses without having to submit an application before the Board of Supervisors for approval. Current building demolition has occurred at the project location and site clearing/preparation has begun.

**Waterside / Waterside North
ZMAP-2012-0006
ZCPA-2020-0014**

No Change

This project was approved by the Board of Supervisors in 2015 and encompasses most of the land bordered by the Innovation Avenue to the south, Route 28 (Sully Road) to the west, Old Ox Road to the north, and the Loudoun-Fairfax county line to the east. The project consists of filling in the recently closed quarry to create a centerpiece lake surrounded by high-density, high-rise spaces of residential, retail, commercial, cultural, and office uses. An application is under review to amend proffer triggers and the development layout.

**Waxpool Crossing
ZMAP-2019-0020**

No Change

This project, at the northwest corner of Ashburn Village Boulevard and Waxpool Road, was approved by the Broad of Supervisors on January 19, 2021 as a rezoning from a church property to high-density residential. The developer will build 384 multifamily units, including 44 attainable housing units. In addition to trails along Ashburn Village Boulevard and Waxpool Road, a roundabout will be constructed at the intersection of Waxpool Road and Faulkner Parkway. If, for some reason, the developer is unable to construct the roundabout, they must pay the county \$9.6 million.

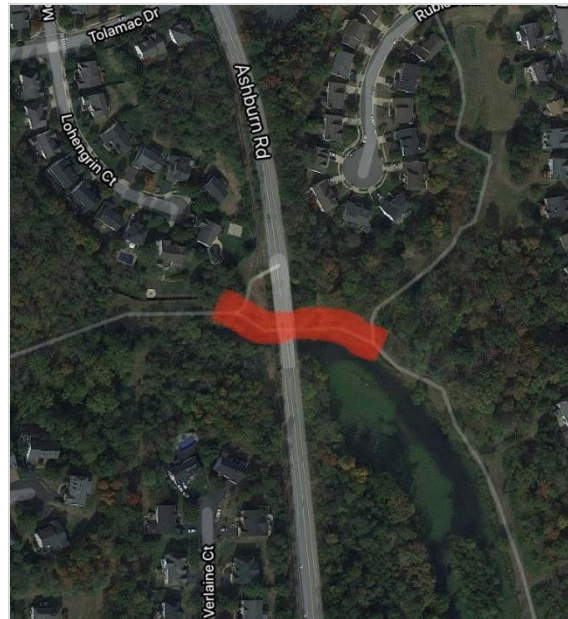

Broad Run District Recreation and Pedestrian Projects

This section contains updates on recreation and community projects in and near the Broad Run District. To check on other projects in Loudoun County, or to view more specifics on major construction projects in the Broad Run District, view Loudoun's [Capital Projects Status Map](#).

Ashburn Recreation and Community Center

Building designs are nearing completion and have been submitted for final review and approval. All major design elements have been approved with no major changes expected. Once design plans are approved the advertisement can be released for the construction bid. Advertisement for the construction bid is scheduled for summer 2021. Construction is estimated to commence in

Beaverdam Run Trail Under Ashburn Road

At the September 1, 2020 Board of Supervisors Business Meeting, Supervisors Glass (Broad Run) and Turner (Ashburn) submitted [an initiative](#) to have County staff study the feasibility of paving an asphalt trail, under Ashburn Road, connecting the existing trails in Ashburn Village and Ashburn Manor. The study has been substantially completed and has been submitted for final review. Presentation to

winter 2022. Read about the center [here](#).

Children's Science Center

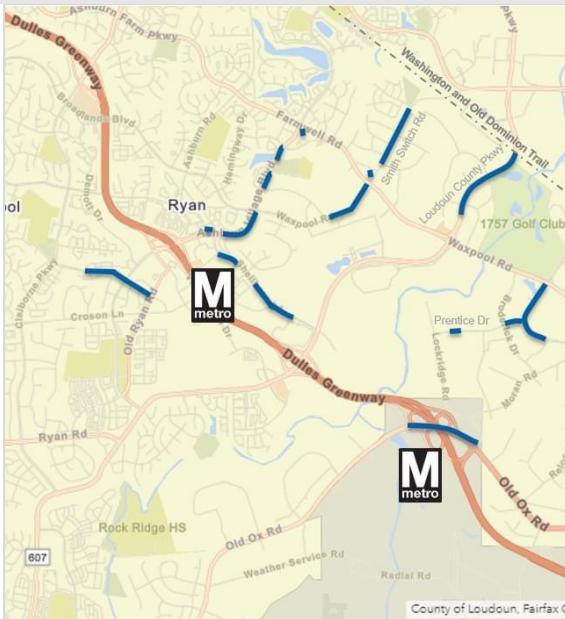

This project includes the construction of a [regional science center](#) through a multi-party agreement. The Science Center will be built on an approximately 5-acre site backing to the Broad Run at the Kincora development. Currently, the land is in the final stages of being transferred from the developer to the center. Loudoun is contributing \$15 million, and the Commonwealth of Virginia is contributing \$40 million, of the \$75 million cost of the project. Construction is estimated to begin in 2022 with the center opening by early 2024.

the Board is estimated for September 2021.

Linear Parks and Trails

The Loudoun County Department of Parks, Recreation and Community Services (PRCS) is moving ahead with the Countywide Linear Parks and Trails System Plan (LPAT) following [approval of the plan](#) by the Board of Supervisors in July. As part of the linear parks program, the Broad Run Stream Valley Park will be created, running almost the entire length of the Broad Run from its headwaters near Aldie to its mouth at the Potomac River in Ashburn/Sterling. Details about LPAT are available at loudoun.gov/linearparksandtrails.

Metro Station Area Pedestrian Improvements

VDOT's Metrorail Bicycle and Pedestrian Improvements project will construct missing segments in the bicycle and pedestrian network within two miles of the future Loudoun Gateway and Ashburn Metrorail stations in an effort to improve accessibility and connectivity to the stations. A virtual design public hearing occurred in May to receive input from the community on the overall plans and design elements for the project. [Click here](#) to watch a recording of the public hearing, view supporting documentation, and read information about the project.

Potomac Green Park

Supervisor Glass, the Loudoun County Department of Parks, Recreation and Community Services (PRCS), and the Department of Transportation and Capital Infrastructure announce the opening of Potomac Green

Neighborhood Park in Ashburn, Virginia. The park was opened to the public following removal of the construction fencing on Wednesday, July 14. Potomac Green Neighborhood Park is located at 20750 Marblehead Drive, Ashburn, Virginia, 20147.

Normal park hours are dawn to dusk. For more information, visit loudoun.gov/prcs or email prcs@loudoun.gov.

Sidewalks and Trails Program 2022

No Change

Five Broad Run missing link projects are in the design phase beginning in 2022; engineering and construction will follow:

- Path on Ashburn Village Boulevard (east side) from Tippecanoe Terrace to the W&OD Trail
- Path & sidewalk on Waxpool Road (north & south sides) from Faulkner Parkway to Claiborne Parkway
- Path & sidewalk on Ashburn Road (east & west sides) from the W&OD Trail to

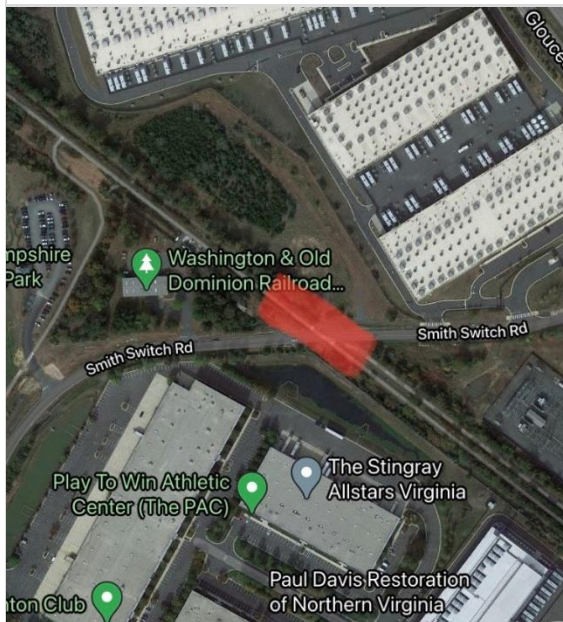

Sidewalks and Trails Program 2024

Six Broad Run missing link projects **beginning design in 2024:**

- Claude Moore Drive (north side) from existing sidewalk to Old Ryan Road
- Route 7 (south side) from City Center Boulevard to Loudoun Tech Drive
- Loudoun Tech Drive (west side) from Route 7 to Ridgetop Circle
- Smith Switch Road (east side) from Chillum Place to Gloucester Parkway

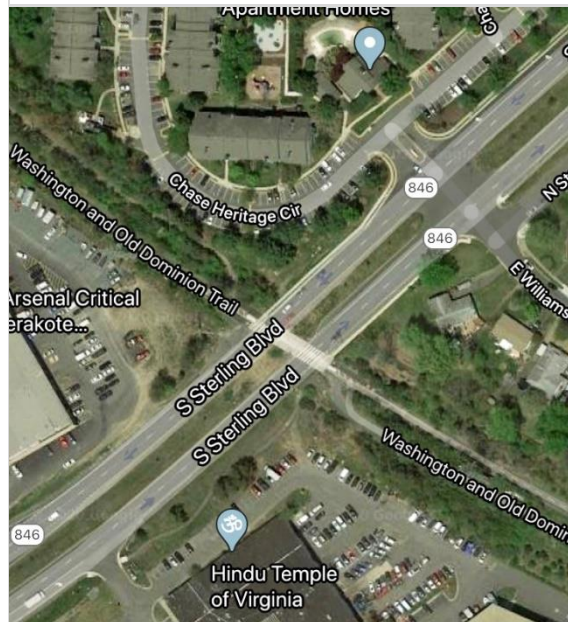

- Gloucester Parkway
- Path on Pacific Boulevard (east side) from Waxpool Road to the existing sidewalk south of the W&OD Trail
- Sidewalk on Davis Drive (east & west sides) from Sterling Boulevard to Church Road

W&OD Trail Crossing at Smith Switch Road **No Change**

Design plans to make improvements to the crossing (realign the trail crossing to be perpendicular to the road; remove obstacles from sight line for approaching traffic; refresh existing crosswalk

- Claiborne Parkway (east side) from Broadlands Boulevard to Vestals Gap Drive
- Sterling Boulevard (southeast side) from Shaw Road to Davis Drive
- Cascades Parkway (west side) from Nokes Boulevard to Woodshire Drive

W&OD Trail Crossing at Sterling Boulevard **No Change**

This project provides for the design, right-of-way acquisition, and construction of an overpass for the the W&OD Trail across Sterling Boulevard. VDOT has agreed to perform the project survey

pavement markings) are anticipated to begin this year with construction to proceed after the design is completed.

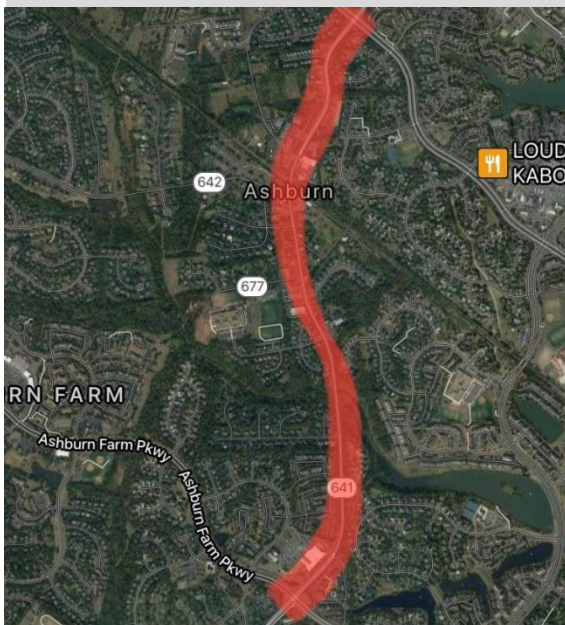

Funding comes from the county and a federal grant.

on Loudoun County's behalf using VDOT funds. Field investigations and surveying has begun with information provided by VDOT. Mapping information and design efforts are underway.

Broad Run District Transportation Projects

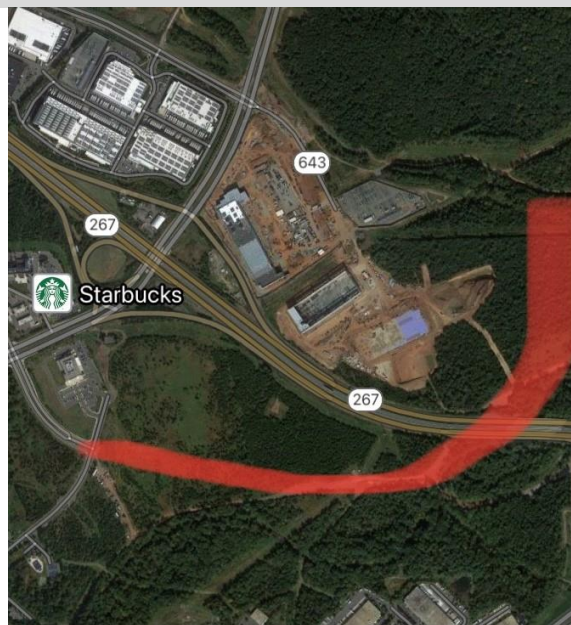

This section contains updates on road and transportation improvement projects around the Broad Run District. To check on other projects in Loudoun County, or to view more specifics on major construction projects in the Broad Run District, view Loudoun's

[Capital Projects Status Map](#).

Ashburn Road Improvements **No Change**

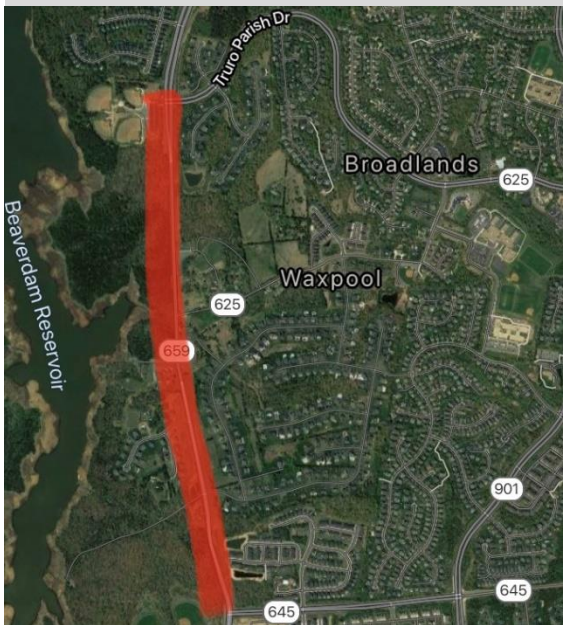

[A study \(PDF\)](#) was completed in 2019 and 2020 on driver and pedestrian safety along the corridor of Ashburn Road between Gloucester Parkway and Farmwell Road/Ashburn Farm Parkway. The Board has

Barrister Drive

This project constructs an extension of Barrister Drive, from the existing terminus south of Loudoun County Parkway, to the east under the Dulles Greenway, then turning north to connect to the future Shellhorn Road extension. The

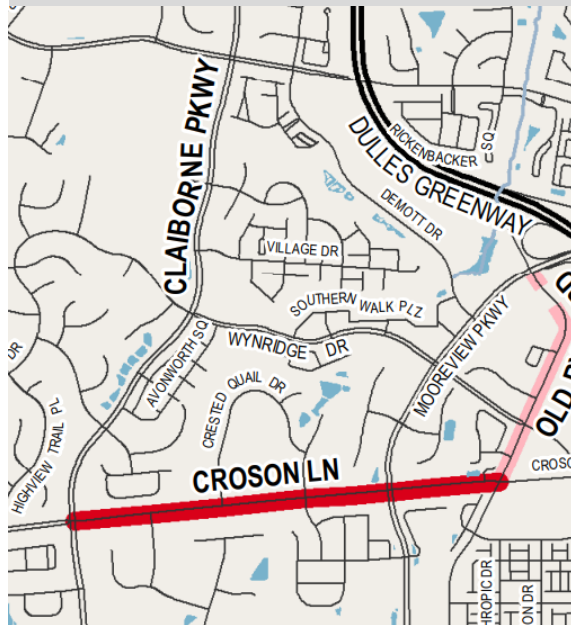

allocated over \$300,000 for engineering and construction of the identified short-term solutions (page 12): additional signage, pavement reconfiguration, new pavement markings. The mid-term and the long-term recommendations were allocated to the "out years" for funding starting in 2026.

Belmont Ridge Road Widening **No Change**

Dominion Energy's utility relocation is underway and pole relocation is being finalized. Utility relocation for other companies is at 25% completion and is scheduled to be fully completed in fall 2021. The construction contractor bid is expected to be advertised in Summer 2021. The storm water management

construction is being funded by the builder of the Silver District West development as a transportation proffer with the project approval. Construction will not begin for several more months and construction completion will happen several years from now. Read more about the Silver District West project in the section above.

Croson Lane Widening **No Change**

This project provides for the widening of Croson Lane to a four-lane, median-divided roadway from Claiborne Parkway and Old Ryan Road. A parcel and topography survey is 50% complete. Plans are being developed with the Claude Moore Charitable Foundation to discuss the signal installation at Mooreview

plan is being revised. Environmental and grading plans have been submitted. More information on this project can be found [here](#).

Davis Drive Extension

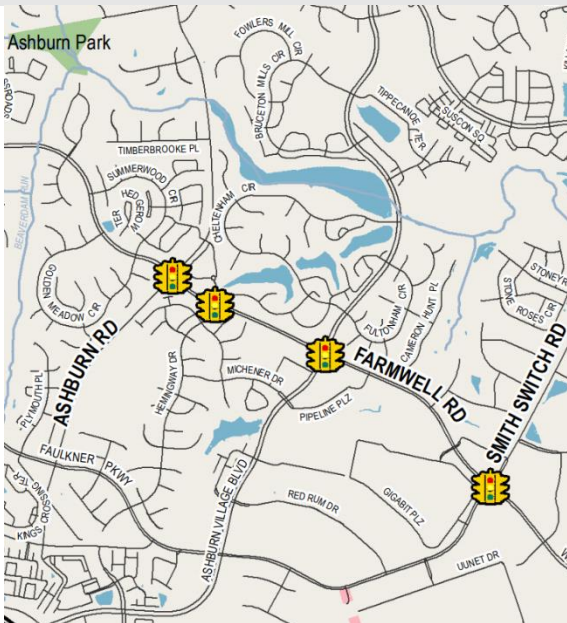

The Davis Drive extension project constructed a four-lane, undivided roadway between Old Ox Road and the existing road that previously terminated at Transdull's Plaza. There is 6-foot sidewalk on the east side of the road and a 10-foot shared use path on the west side of the road. The developer of Waterside North designed the improvements, provided right-of-way and easements, and funded the construction. This project completes a major north-south alternative to Route 28.

Parkway. A plan to analyze traffic data is also being coordinated. Construction is scheduled to begin in 2024.

Davis Drive/Sterling Boulevard Intersection Improvements

On July 6, 2021, the Board of Supervisors accepted the improvements identified in [a study](#) of pedestrian and vehicular improvements along Davis Drive, in Sterling, from West Church Road to South Sterling Boulevard. The bike lanes installation on Davis Drive was performed by VDOT as part of a regularly scheduled repaving in summer 2021. The additional improvements estimated to cost \$2.3 million will be discussed during budget deliberations in March 2023.

Farmwell Road Intersection Improvements **No Change**

Intersection Improvements along Farmwell Road, from Ashburn Road to Smith Switch/Waxpool Roads, are at 60% design plans. 100% design completion has been delayed until fall 2021 due to the discovery of newly placed underground utilities in the project area. Construction for the project is scheduled to begin in 2023 and end in fall 2025. The Board of Supervisors endorsed [the major project design elements](#) at its May 4th business meeting. Supervisor Glass worked with the Ashburn Village HOA to minimize impacts along along the project section south of Fultonham Circle. Read more about the project [here](#).

George Washington Boulevard/Route 7 Overpass **No Change**

[This VDOT project](#) provides for construction of a bridge over Route 7 connecting George Washington Boulevard in the north with Russell Branch Parkway in the south. This project has a budget of \$27.3 million, financed with federal and state funds. In this quarter, right-of-way acquisition activities continued. Utility relocation activities continued and are substantially complete except for one utility. Finalization of the storm water management strategy and drainage report continued. In the next quarter, the advertisement package for contractor bids will be advertised in June 2021. Construction begins late 2021.

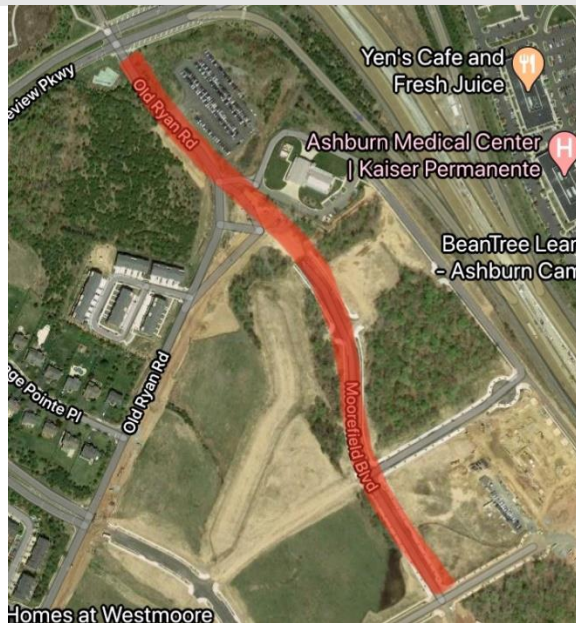

Metro Silver Line

The Metro Board of Directors Safety and Operations Committee today approved a proposal to suspend access to Metrorail and Metrobus for those arrested for sex and weapons related offenses on the system. The full Board is expected to vote on the proposal at an upcoming meeting.

Transit agencies around the country have successfully implemented similar rules, such as LA Metro, San Francisco's BART, Dallas's DART and Atlanta's MARTA. Metro developed its proposal taking those best practices into account.

Health and safety concerns are top of mind as the region recovers from the pandemic, and this proposal would give

Moorefield Boulevard Construction No Change

This project provides for the developer-funded design and widening of Moorefield Boulevard from Mooreview Parkway to Old Ryan Road, and the construction of a traffic signal at Moorefield Boulevard and Mooreview Parkway. This project also includes construction of a county-funded traffic signal at Moorefield Boulevard and Old Ryan Road. The Moorefield Boulevard/Old Ryan Road traffic signal is also at 30% design stages and is expected to be at 100% design in fall 2021 after a delay. The developer-funded traffic signal at Moorefield Boulevard and Mooreview Parkway is anticipated to be installed by

Metro an additional tool to ensure customers and employees are as safe as possible. [Read More.](#)

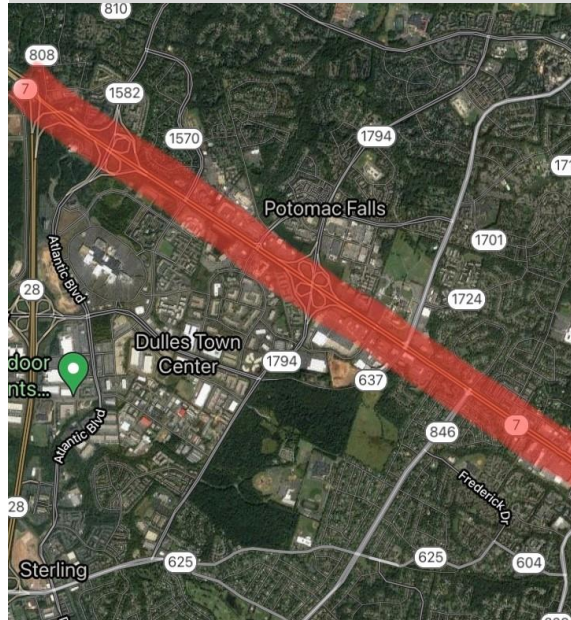

Prentice Drive Extension

Loudoun County will hold an open comment period to gain input from the public on the county's project to extend Prentice Drive from Lockridge Road to Loudoun County Parkway. The public comment period will be open through Friday, August 13, 2021. The comment submission form and project materials are available for review at

loudoun.gov/prenticephasetwo. Materials include a project design aerial, a project description, and a recorded presentation.

the end of summer 2021 with installation beginning in spring 2021. Design of this traffic signal is 100% complete.

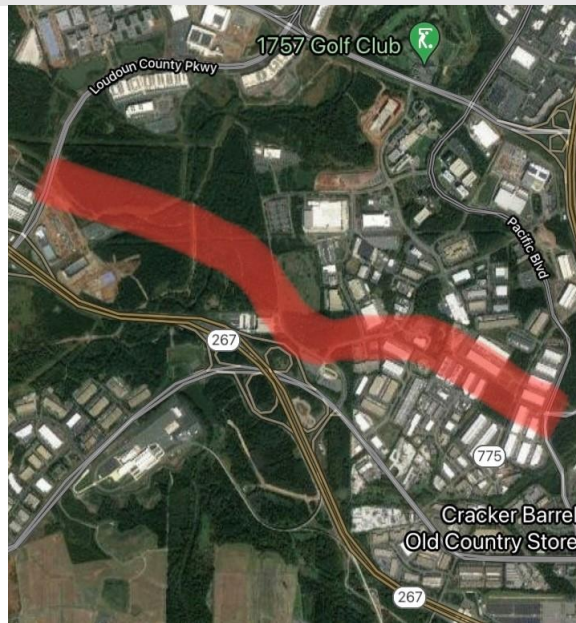

Route 7 Corridor Study

The [draft study](#) examined existing and projected future conditions along Route 7, between Dranesville Road at the Fairfax County line to the Route 28 interchange. The study included an evaluation of the history of recent crashes, an analysis of existing traffic operations along the corridor, and travel demand forecasts. For more information about the Route 7 Corridor study, including a recording of the public input meeting, visit loudoun.gov/route7corridorstudy.

Route 7 Additional Eastbound Lane Widening (from Loudoun County Parkway to Route 28)

This project provides for the planning, design, right-of-way acquisition, and construction of an additional travel lane along eastbound Route 7 between the Loudoun County Parkway entrance ramp and the Route 28 exit ramp, to provide four continuous lanes between the two interchanges. The project is budgeted for \$6.2 million beginning with design in 2025 and construction completed in 2034.

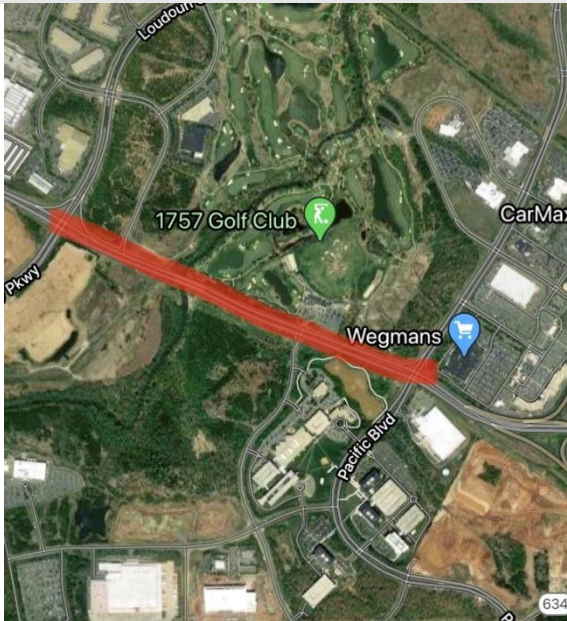

Shellhorn Road and Sterling Boulevard Extension

This project constructs an extension of Shellhorn road from the existing terminus at Loudoun County Parkway through to the existing Sterling Boulevard interchange at Route 28. Portions of the Shellhorn Road extension will follow the existing alignments of Lockridge and Moran Roads. The project is currently in the design stage and public comments are being accepted.

More information is available at

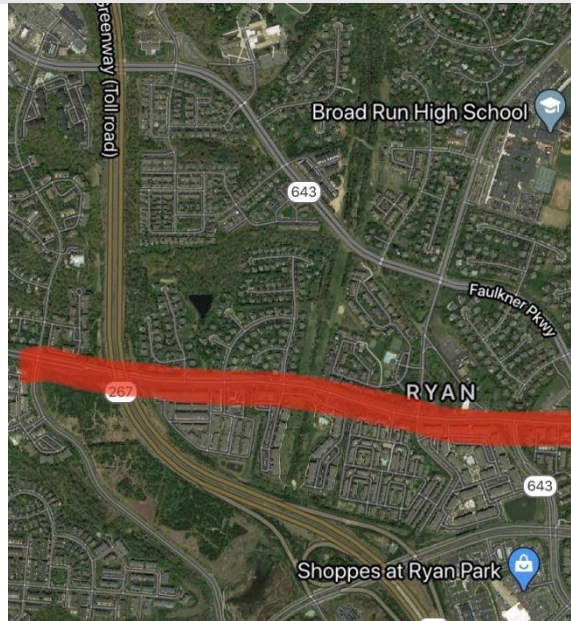

loudoun.gov/shellhornextension/

Waxpool Road Intersection Improvements I

No Change

This project funds intersection improvements and turn lanes at Waxpool Road and Pacific Boulevard, intersection improvements and turn lanes at Waxpool Road and Broderick Drive, and intersection improvements and turn lanes at Waxpool Road and Loudoun County Parkway. Right-of-way authorization, land acquisition, and utility relocation are ongoing in coordination with VDOT. Construction is expected to begin in 2021. Project updates and information can be viewed [here](#).

Waxpool Road Intersection Improvements II

No Change

[A study](#) was completed on the safety of intersections along Waxpool Road from Demott Drive to Faulkner Parkway. Construction of the traffic signal at Demott Drive and Waxpool Road has begun. The Board allocated up to \$300,000 to install a four-way stop at the intersection of Ashburn and Waxpool Roads. Signage and brush trimming will occur at the intersection of Shellhorn and Waxpool Roads. A roundabout is slated to be installed at the Faulkner Parkway intersection by the Waxpool Crossing developer.

Community Organization Updates

Ashburn Volunteer Fire and Rescue Department

Saturday, August 21 - 4:00 to 8:00pm: Come out and support AVFRD at the inaugural "The Brew Mile" event on August 21 Join House 6 Brewing Co. for their running of The Brew Mile from 4pm-8pm. AVFRD has teamed up with House 6 to be a charity partner and will receive donations from this

event. For more information on how to support this event, or to sign up, please visit theBREWmile.com or AshburnFireRescue.org/2021/06/01/come-out-and-support-avfrd-at-the-brew-mile-event-on-august-21-2021.

Prospective Members Meeting - August 31 - 7:00pm to

9:00pm: Learn more about volunteering with AVFRD. Operations and Admin members needed. Many benefits. See our website for more information and how to start the application process in advance: ashburnfirerescue.org/go/volunteer.
