Lane Closures on Evergreen Mills Road Extended Through September

Loudoun County will continue to have intermittent single-lane closures on north and southbound Evergreen Mills Road (Route 621) between Northstar Boulevard and Creighton Road. The roadway construction that began in June, which occurs between 9:00 a.m. and 3:00 p.m. each weekday, has been extended through the end of September 2021. Traffic will continue in a single lane through the construction area. The roadwork will alternate between north and southbound sections of Evergreen Mills Road.

Drivers should use extra caution when traveling through this area and follow all directions from the posted signs and road crews.
