Loudoun to Hold Virtual Public Meeting Oct. 25 on Crosstrail Boulevard – Sycolin Road to the Dulles Greenway

Loudoun County is hosting an online meeting to gain input from the public on the proposed extension of Crosstrail Boulevard (Segment C) from Sycolin Road to the Dulles Greenway. The public information meeting will be held Monday, October 25, 2021, 6:00 – 7:00 p.m. Members of the public are invited to join the virtual meeting to learn, ask questions and provide input about the project.

Links to login information and meeting materials are available for review at loudoun.gov/crosstrailsegmentc and loudoun.gov/remoteparticipation. Meeting materials include a preliminary design and speaker sign-up and comment forms. Members of the public must sign up in advance by 12:00 p.m., Friday, October 22, 2021, to ask questions during the event. Online participants may also send questions to the project team during the meeting as chat messages, which will be answered as time allows.

The Crosstrail Boulevard (Segment C) from Sycolin Road to the Dulles Greenway project provides for the design and construction of a four-lane, median-divided road between Sycolin Road and the Dulles Greenway interchange. The length of this project is approximately 2,700 linear feet and includes a bridge over the south tributary to Sycolin Creek. This new segment of Crosstrail Boulevard will replace Shreve Mill Road as the means to get from the Dulles Greenway to Sycolin Road.

For more information about the Crosstrail Boulevard – Sycolin Road to the Dulles Greenway project, including a link to sign up for updates about the project and the upcoming public meeting, visit loudoun.gov/crosstrailsegmentc.
