### **Courthouse Construction Storm Water Utility Work to Begin November 8**

Loudoun County will begin storm water utility work as part of the Courthouse Complex Expansion project beginning Monday, November 8, 2021, during daytime hours. Residents will see increased construction activity and changes to the vehicular traffic flow on North Street near the courthouse. The construction is expected to last through Friday, November 19, 2021.

Traffic will continue in a single lane on North Street between Harrison Street and Church Street. Drivers should use extra caution when traveling through this area and follow all directions from the posted signs and road crews.

Visitors to the Loudoun County Courthouse will continue to have access to the existing building. Free parking is available in the Pennington Lot and Pennington Garage, which is located off Church Street, approximately two blocks from the courthouse. For more information about planning your trip to the courthouse, visit [loudoun.gov/courthouse](http://loudoun.gov/courthouse).

For more information about the new courthouse construction project, including contact information, and to sign up for email and text updates on the project, visit [loudoun.gov/courts-expansion](http://loudoun.gov/courts-expansion).
