### **Loudoun to Hold Virtual Public Meeting on Franklin Park to Purcellville Trail Project February 23**

Loudoun County is hosting an online meeting to gain input from the public on the proposed Franklin Park to Purcellville Trail project. The public information meeting will be held on Wednesday, February 23, 2022, from 6:00 – 7:00 p.m. Members of the public are invited to join the virtual meeting to learn, ask questions and provide input about the project.

Login information and meeting materials are available for review at [loudoun.gov/franklinparktrail](http://loudoun.gov/franklinparktrail) and [loudoun.gov/remoteparticipation](http://loudoun.gov/remoteparticipation). Meeting materials include a concept design as well as speaker sign-up and comment forms. Members of the public must sign up in advance to ask questions during the event by February 22, 2022, at 12:00 p.m. Online participants may also send questions to the project team as Q&A messages, which will be answered during the meeting as time allows.

The Franklin Park to Purcellville Trail project will provide access for pedestrian and bicycle traffic from the Franklin Park recreational facilities to the existing sidewalk at the intersection of N. 28th and Main streets in downtown Purcellville, which will enhance access and safety for non-motorized users.

For more information about the Franklin Park to Purcellville Trail project, including a link to sign up for updates about the project and details about the upcoming public meeting, visit [loudoun.gov/franklinparktrail](http://loudoun.gov/franklinparktrail).
