Loudoun County COVID-19 Vaccine Clinic Closed Feb. 25; Testing Event to Proceed

Due to a forecast of inclement weather and out of an abundance of caution, the Loudoun County COVID-19 vaccination clinic at Dulles Town Center will be closed Friday, February 25, 2022. All individuals who had vaccination appointments on Friday may reschedule their appointments for Saturday, February 26, or walk in on Saturday during the clinic's operating hours of 9:30 a.m. – 4:00 .p.m.

February 26 is also the final day of operations for the county's mass vaccination clinic. For anyone who has a scheduling conflict on February 26, please note that COVID-19 vaccine is widely available from many other providers in the community, such as local pharmacies. To find a COVID-19 vaccine provider near you, visit vaccines.gov.

Loudoun County regrets any inconvenience the cancellation may cause. Inclement weather adversely affects the county's ability to operate the vaccination site, which is heavily dependent on volunteers.

COVID-19 Testing Event Feb. 25

The county's final COVID-19 testing event February 25, 10:00 a.m. – 1:00 p.m., is scheduled to proceed. The event will be held at Franklin Park, 17501 Franklin Park Drive, Purcellville (Follow signs to the baseball field parking lot.) Details are online at loudoun.gov/covid19testing.
