

Chair **Phyllis J. Randall**

Newsletter

Hello, Loudoun

Thank you to everyone who attended or viewed my 2022 State of the County Address. A special thank you to Valerie Pisierra, who welcomed guests, Second Lieutenant, Kirsten Engel, who sang the National Anthem, the performance of "Alexander Hamilton" by Rock Ridge High School Performing Arts, and Ray Delpesche for the Pledge of Allegiance (please see pictures below).

The opening video is posted on [YouTube](#). Take a look, you just may see yourself or someone you know. The **"Telling Loudoun's Story" State of the County Address speech text** is posted on my website.

At this event, we distributed 250 reusable bags to prepare for the implementation of the plastic bag tax on July 1, 2022. Thank you to all the organizations who stepped up to help in this effort. As always, thank you for allowing me to serve as your County Chair.

Rural Town Hall

Loudoun County
VIRGINIA

Loudoun County Board of Supervisors

Chair Phyllis J. Randall

Cordially invites you to an
IN-PERSON RURAL TOWN HALL

Thursday, June 30, 2022 | 6:00 pm
Round Hill Elementary School Multi-Purpose Room
17115 Evening Star Drive in Round Hill

Thank you and I hope you can make it!

Topics for the Town Hall include the Zoning Ordinance Rewrite, Prime Agricultural Soils ZOAM, and the emerging unmanned aerial systems industry. Representatives from the Department of Planning and Zoning and I will be available to answer questions.

Ashburn Recreation and Community Center

You are invited to attend a groundbreaking ceremony for the start of construction of the Ashburn Recreation and Community Center on Thursday, June 16th at 11:00 am. The event will take place on the future site of the facility near the intersection of Carolina Wren Drive and Coopers Hawk Drive in Ashburn. Construction is currently estimated for completion in summer 2025.

The project will construct a 117,000-square-foot recreation and community center on Broadlands Boulevard, west of the intersection with Claiborne Parkway. The two-story facility includes many features:

- 50-meter competition pool with spectator seating.
- Fitness areas.
- Full-size gymnasium.
- Leisure pool.
- Spa.
- Multipurpose room with a catering and teaching kitchen.

- Running track.
- One indoor basketball gymnasium, with six basketball hoops, and game line markings for basketball, volleyball and pickleball.

Linear Parks and Trails Ribbon Cutting

On Saturday, June 11th we opened the Northern Virginia Criminal Justice Training Academy segment of the Linear Parks & Trails System and filled a critical Signature Project gap. The Signature Project will go from the Potomac River to Broad Run, the W&OD trail, west to Goose Creek, north along Goose Creek to the Potomac River and back east to Broad Run. At the Toll House along Broad Run, the plan calls for a bridge across the Broad Run which will connect the trail segment that was opened on Saturday to the trail network within Kincora. The design funding is in FY 2024 with construction funding in FY 2025.

Board Business

Redistricting: At the June 7th Board business meeting, we approved the LT-Revised 1 Redistricting Plan (see plan below).

Staff will submit a request for certificate of no objection to the Office of Attorney General. New election districts will go into effect upon issuance of a Certificate of No Objection or upon expiration of the 60-day review period (assuming no objection by the Attorney General). Upon receipt of the certificate of no objection, staff will complete its work to identify necessary precinct adjustments and new polling places.

Board Members and advisory board members shall complete their terms of office, regardless of loss of residency in a particular district due to reapportionment or redistricting. Members of any created or appointed advisory board or committee with district-based rather than at-large representation will continue to serve their appointed term unless there is a specific statute applicable to such body that requires otherwise.

We have budgeted \$300,000 to notify voters of changes to districts and precincts. Any new precincts established will require funding for voting equipment and supplies. The Office of Elections estimates that \$63,950 would be required to establish new precincts for the LT-Revised 1 Redistricting Plan.

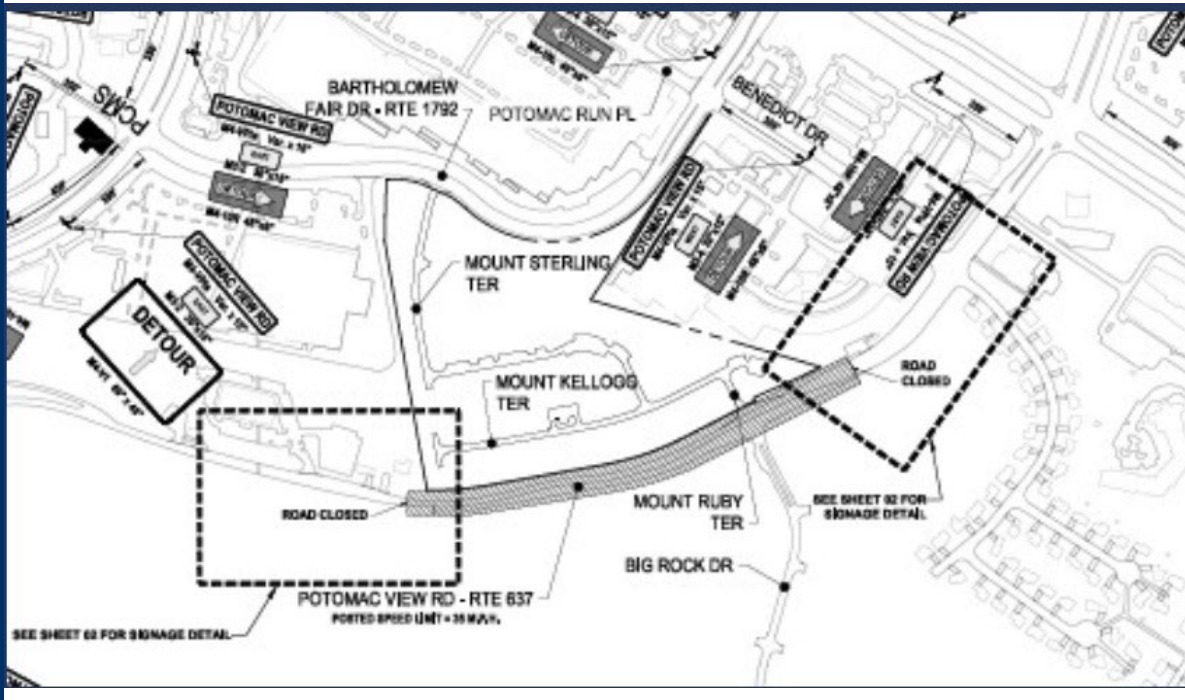

Investing in Transportation

Potomac View Road: Construction teams associated with the Montebello Farms and Mount Sterling communities on Potomac View Road are scheduled to begin work on Monday, June 20th. As a result, a portion of Potomac View Road will be closed between

Cascades Parkway and Benedict Drive to through traffic for approximately four weeks to widen Potomac View Road to four lanes.

Following the four-week closure, one eastbound lane will be opened from mid-July 2022 to the end of September 2022. Work is expected to be completed, with all four lanes open and operational, by early October 2022.

Those needing to reach properties along Potomac View Road will have access via Route 7 and Cascades Parkway or Potomac View Road; however, traffic will not be able to go beyond Cascades Overlook on the eastern end of Potomac View Road and just past the First Baptist Church of Sterling on the western end of Potomac View Road in either direction. Appropriate signage will be installed to direct traffic during this work.

Community Information

Naming of Historic Loudoun County Courthouse: The public is encouraged to participate in the process for naming the historic Loudoun County Courthouse building in downtown Leesburg. The courthouse, constructed in 1895, is located at the southwest corner of the courthouse grounds at the corner of King and Market streets in Leesburg.

The Heritage Commission has recommended the historic courthouse building be named in honor of Charles Hamilton Houston, who assembled and led an all-African American legal defense team for a murder trial there in 1933. The defense team, which included assistance from law student and future Supreme Court Justice Thurgood Marshall, challenged the all-white jury selection process, setting a historic legal precedent. Two years later, the Supreme Court ruled biased jury selection unconstitutional.

Individuals can comment on the proposed honoring of Houston or suggest additional names through an **online form**. Suggested names should have a demonstrated connection to the history of the courthouse; submissions will be reviewed for compliance with the County's naming standards. The comment period ends Friday, June 24th.

LCPS Community Meetings on Future School Facility Projects: A series of community meetings are being scheduled by Loudoun County Public Schools' Department of Support Services to provide a forum to share information on funded, planned, and proposed school capital projects across the county. To focus the discussion and public involvement, each meeting will include a general overview of the Fiscal Year 2023 Capital Improvement Program (CIP) and Capital Asset Preservation Program (CAPP) budgets and then spotlight on a specific geographic area of Loudoun. The first three meetings will be in June. Additional community meetings for other areas of the county will be scheduled and announced.

Date & Time	Auditorium of	Meeting Spotlight
Thursday, June 16, 2022 6:00 p.m.	Brambleton Middle School (23070 Learning Cir, Ashburn)	Dulles North Area (General Description: North of Rt 50, East of Goose Creek, South of Rt 267, West of Rt 28)
