### **Virtual Public Meeting about Proposed Widening of Braddock Road Sept. 29**

Loudoun County is hosting an online meeting to gain input from the public on a proposed project on Braddock Road from the entrance of St. Paul VI High School to Loudoun County Parkway. The public information meeting will be held Thursday, September 29, 2022, from 6:00 – 7:00 p.m. Members of the public are invited to join the virtual meeting to learn, ask questions and provide input about the project.

Login information and meeting materials are available for review at [loudoun.gov/braddockroad](http://loudoun.gov/braddockroad). Meeting materials include a conceptual design as well as speaker sign-up and comment forms. Members of the public must sign up in advance to ask questions during the event by September 28, 2022, at 12:00 p.m. Online participants may also send questions to the project team as Q&A messages, which will be answered during the meeting as time allows.

This project provides for the planning, design, right-of-way acquisition and construction to widen Braddock Road (Route 620) to four lanes between the eastern entrance of St. Paul VI High School and Loudoun County Parkway. In addition to a four lane, median-divided roadway, the project includes construction of shared-use paths on both sides of the road.

For more information about the project on Braddock Road from the entrance of St. Paul VI High School to Loudoun County Parkway, including a link to sign up for updates about the project and details about the upcoming public meeting, visit [loudoun.gov/braddockroad](http://loudoun.gov/braddockroad).
