Overnight Lane Closures on Route 7 Scheduled to begin Nov. 10 in Sterling

Beginning Thursday, November 10, 2022, Loudoun County is planning overnight lane closures on Route 7 at the Lakeland Drive and Potomac View Road intersections in Sterling as part of the Route 7 Pedestrian Improvement Project. Single- and double-lane closures, as required, are set to begin at 9:00 p.m. and end by 5:00 a.m. the following morning. The closures are necessary to install permanent crosswalks at these locations.

Work will continue nightly for several days, weather permitting. A complete closure of Route 7 in either direction is not anticipated. However, if a full closure becomes necessary for the safety of the traveling public, complete road closures will only occur for a maximum of 15 minutes.

Drivers should use extra caution when travelling through the area and follow all directions from the posted signs and road crews.
