Loudoun Hosts Public Information Meeting on New Philomont Fire and Rescue Station December 8

Loudoun County invites members of the community to attend a public information meeting regarding the new Philomont Fire and Rescue Station project to help shape what the new station will look like. The meeting will be held Thursday, December 8, 2022, at 6:00 p.m., at the Franklin Park Performing & Visual Arts Center, 36441 Blueridge View Lane, Purcellville

This project will construct a new 18,500-square-foot, fire-and-rescue facility on a seven-acre site at 37180 Snickersville Turnpike in Philomont.

At the meeting, the project team will present a site plan and preliminary building elevations with various options. Members of the public are encouraged to provide comments at the public meeting in person or through an online comment form available at loudoun.gov/philomontstation through January 5, 2023.

More Information

For more information about the Philomont Fire and Rescue Station project, including a link to sign up for email and text updates on the project, visit loudoun.gov/philomontstation.
