# Prescription Medication Disposal Ashburn Station

Too often, unused prescription drugs find their way into the wrong hands. That's dangerous and often tragic. That's why it was great to see thousands of folks from across the country clean out their medicine cabinets and turn in - safely and anonymously - a record amount of prescription drugs.

Turn in unneeded medication for safe disposal.

Keep them safe. Clean them out. Take them back.

Visit [DEATakeBack.com](http://DEATakeBack.com) for a collection site near you.

**Saturday, October 29**  
**10 a.m. – 2 p.m.**

## TIPS TO AVOID CONTRACTOR FRAUD

-  Work with your insurance company to get an accurate damage estimate and references for a reliable contractor.
-  Work only with known licensed and insured contractors.
-  Get an estimate from more than one contractor.
-  Don't be pushed or pressured into signing a contract right away.
-  Get everything in writing, including cost, work to be done, time schedule, guarantees and payment schedule.
-  Require references and check them all out.
-  Ask to see the salesperson's driver's license and write down the number; also write down the salesperson's license plate number.
-  Never sign a contract with any blanks not filled in or sign a completion certificate until the work is complete.
-  Never pay a contractor in cash or in full until the job is complete.

 [www.nicb.org](http://www.nicb.org)

## Contractor Fraud:

- Subject offers services and agrees upon a contact
- Victim provides a deposit for materials and construction permits
- Contractor does not maintain progress of work or vanishes and does not complete project

## IRS SCAM

*As if tax time wasn't stressful enough, you also have to worry about scammers claiming to be from the IRS.*

**Things the IRS WILL NOT do...**  
(from our friends at the IRS)

- Initiate contact with taxpayers by email, text messages or social media channels to request personal or financial information.
- CALL to demand immediate payment using a specific payment method such as a prepaid debit card, gift card or wire transfer. Generally, the IRS will first mail a bill to any taxpayer who owes taxes.
- Demand that you pay taxes without the opportunity to question or appeal the amount they say you owe. You should also be advised of your rights as a taxpayer.
- Threaten to bring in local police, immigration officers or other law-enforcement to have you arrested for not paying. The IRS also cannot revoke your driver's license, business licenses, or immigration status. Threats like these are common tactics scam artists use to trick victims into buying into their schemes.

## Beware of Scammers

- Scammers are convincing!
- Scammers will ask you to purchase gift cards, cash app money, send money through a wire service, or use Bitcoin to pay for bills, settle an arrest warrant, upgrade your computer, sign up for a utility service, etc.
- Scammers are clever and will pretend to be a company or your bank. They even using spoofed phone numbers to make them look official.
- Scammers will email or text you a link to gain access or place a virus on your device. Do not click on any unsolicited links.
- Scammers will rush you into making a decision and will often call numerous times.

If you have a group and would like a fraud & scam presentation, scan the QR code or contact the LCSO Crime Prevention Unit @

## HEARTSTRING SCAM

Have you seen posts like this on your social media community & group pages?

Delete if not allowed this is embarrassing but does anybody have any work that needs to be done that I could possibly earn some gas money so I can make it to work this week? If anybody has anything please DM me thank you. Please no rude comments I've had the worst week of my life just wanna put it in the past thank you again. I don't want to ask for a hand out so that's why I'm asking for any side jobs.

These types of scams pull at your heartstring and make you want to help. The scammer hopes that people will send them money or gift cards.

**A couple of ways to determine if the person is a scammer.**

- The person has never posted in the group before.
- The person has a very limited social media profile or appears to have a new account.

**What can you do?**

- Instead of sending money, refer the person to local organizations that can provide assistance. Loudoun County has many great organizations.
- Contact the admin of the social media page and make them aware.

# Reminder | Safety Tips

## Catalytic Converter Thefts

Thieves target catalytic converters because many contain precious metals, which are then sold to a scrap yard for cash.

### What Can You Do?

- When possible, park in well-lit areas and close to building entrances.
- Calibrate your car's alarm to set off when it detects vibration.
- Install an overt video surveillance system and place the camera facing your vehicle.
- If you have a garage at your house, park your car inside and keep the garage door shut.
- Have the catalytic converter welded to your car's frame or attach a security device.
- Engrave your vehicle identification number (VIN) on the catalytic converter.

Report suspicious activity to your local law enforcement agency.

# Altered Mufflers

Following the most recent session of the Virginia General Assembly, a bill was passed to amend and reenact the Virginia Code that returns the enforcement of Improper Exhausts by a law enforcement officer as a primary offense. The new law took effect on July 1, 2022, and replaces the March 2021 law restricting law enforcement's ability to conduct traffic stops for this equipment violation (making it a secondary offense).

Virginia law § [46.2-1049](#) continues to require exhaust systems to be in good working order “and in constant operation to prevent excessive or unusual levels of noise.” Violations are punishable by a fine of no more than that provided for a Class 4 misdemeanor.

**What is the difference between a primary and secondary offense?** A primary offense is a traffic violation, that on its own, law enforcement establishes reasonable suspicion to make a traffic stop. A secondary offense is a violation that law enforcement can observe, but not pull over unless the officer observes a primary offense.

# CityProtect

The LCSO uses CityProtect as an online mapping and analysis service that combines the value of law enforcement data with the ease of use of Google-based mapping and an analytics module so that members of the public can view police data in a high-impact map or summary descriptive format.

Many residents have asked about the option to register their security camera at [CityProtect.com](http://CityProtect.com). Registration is 100% voluntary and does not provide the law enforcement with direct access to your security system/camera. Your personal information will be kept confidential by the LCSO and registration information will only be accessed by law enforcement if there is a criminal incident that was possibly captured by your security camera. LCSO detectives or deputies may request a copy of any video captured by your camera, if it may assist in the investigation of a crime.
