Next Session of Online Initiative to Develop Fatherhood Skills Begins April 11

The next session of the program sponsored by Loudoun County to help fathers build skills to become even stronger dads begins Tuesday, April 11, 2023. All fathers are welcome to attend the free, 12-week, virtual program.

Area fathers are encouraged to register for the National Fatherhood Initiative's 24/7 Dad® program to strengthen their relationships with their children. The virtual workshops will take place weekly on Tuesdays, beginning April 11, 2023, from 6:00 to 8:00 p.m. Early registration is encouraged as space is limited.

Developed by parenting experts, the 24/7 Dad program teaches fathering techniques and strategies, provides fathers with peer support and guidance and allows fathers the opportunity to discover their own parenting strengths.

For more information and to register, visit loudoun.gov/fatherhood.

Anyone who requires an accommodation to participate in the program may contact the Department of Family Services at 703-737-8237. Three days' notice is requested.
