Loudoun to Hold In-Person Location and Design Public Hearing for Westwind Drive Project June 5, 2023

Loudoun County invites members of the public to attend a location and design public hearing about the Westwind Drive from Loudoun County Parkway to Old Ox Road project. The hearing will be held on Monday, June 5, 2023, from 6:30 to 7:30 p.m. at Stone Hill Middle School, 23415 Evergreen Ridge Drive in Ashburn.

Public hearing materials, including the legal advertisement, are available for review at loudoun.gov/westwind.

The project begins at the intersection of Westwind Drive and Loudoun County Parkway (Route 607) and extends south approximately 6,330 feet to the intersection of Ladbroke Drive and Old Ox Road (Route 606). This four-lane, median-divided road will include construction of a new section of Westwind Drive from State Street to Ladbroke Drive in addition to other improvements along existing sections of Westwind Drive and Ladbroke Drive. The Westwind Drive extension will include a four-lane bridge over Broad Run. This project will directly link the roadways between two Metrorail Silver Line stations, the Loudoun Gateway and Ashburn stations, by connecting Loudoun County Parkway and Old Ox Road.

Comments will be accepted during the meeting or by June 19, 2023, through the online comment form at loudoun.gov/westwind; by mail to Yuliya Esmond, Loudoun County Department of Transportation & Capital Infrastructure, 101 Blue Seal Drive, Suite 102, Leesburg, Va, 20177, or by email at dtci@loudoun.gov. Please reference "Westwind Drive" in the subject line.

Funding for this project includes local tax funding and VDOT [Smart Scale](#) funding (State Project: 2988-053-175, PE101, RW201, C501; Federal: STP-5B01; UPC: 111670). This is a state and federally funded project that is administered by Loudoun County.
