Community Meeting for Village of St. Louis Set for June 26

Loudoun County will host a community meeting for the Village of St. Louis Monday, June 26, 2023, at 6:30 p.m. at Banneker Elementary School, 35231 Snake Hill Road, Middleburg. Residents are encouraged to attend to learn about the results of the community survey conducted earlier this year, including updates on initiatives that require action as identified through the community survey, as well as the status of the St. Louis Village Plan. Members of the [St. Louis Village Plan Task Force](#) and representatives of Loudoun County are scheduled to be present at the meeting.

The St. Louis Village Plan, which was initiated by the Board of Supervisors in 2022, is intended to help St. Louis maintain its unique character, support the community's goals and address a range of issues related to land use, development and quality of life.

Following a community meeting in January, St. Louis residents were asked to provide feedback on three focus areas identified by the St. Louis Village Plan Task Force: History and Heritage; Land Use, Development, and Infrastructure; and Water.

Anyone who requires a reasonable accommodation for any type of disability to participate in the meeting may contact the Department of Planning and Zoning at 703-777-0246. At least one business day's notice is requested.

To learn more about the St. Louis Village Plan, including how to sign up for email and text updates on the project, visit loudoun.gov/stlouis.
