County Adjusts Courthouse Shuttle Operations With Opening of New General District Courthouse

The new Loudoun County General District Courthouse is now open to the public as of Tuesday, October 31, 2023, which was [announced last week](#). Also effective October 31 are updates to the operation of the courtesy shuttle that runs between the courthouse buildings and the designated parking areas for the Loudoun County Courthouse Complex.

- The shuttle service will now begin earlier, at 7:15 a.m., Monday through Friday.
- The shuttle route will now start at the recently reopened Semones Parking Lot where accessible parking is available for the courthouse complex. The Semones lot is located at the intersection of North Street NE and Cornwall Street NE in Leesburg.
- The shuttle stop for both the Loudoun County Courthouse and General District Courthouse will be relocated from E. Market Street to 2 Church Street SE on the recently reopened street between the complex's two main courthouses.

The courtesy shuttle will continue to run until 5:30 p.m. on weekdays. The shuttle service also continues to serve the Pennington Lot and Pennington Garage, which are located at 210 Church Street NE in Leesburg. Both general and accessible parking are available at the Pennington Lot and Garage.

The courthouse shuttle service is provided as a courtesy to visitors to the Loudoun County Courthouse Complex; however, riding the free shuttle is optional. The designated parking areas for the courthouse complex are located approximately two to three blocks from the courthouses. View the [county's courthouse parking map \(PDF\)](#) for illustrations of the walking paths between the parking areas and the courthouses.
