Public Hearing on Housing and Community Development

Public Hearing on Housing & Community Development Needs

December 13, 2023, 4:30 – 5:30 p.m.
Dept. of Housing & Community Development
106 Catoctin Circle SE, Leesburg

The Housing Advisory Board will facilitate the meeting as part of the Community Development Block Grant process.

loudoun.gov/CDBG

Loudoun County will hold a public hearing to gather residents' input on housing, homelessness, community development and public service needs in the community.

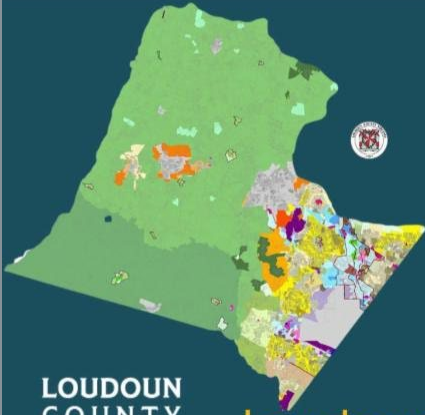

The public hearing will be held Wednesday, December 13, 2023, from 4:30 – 5:30 p.m., at the Department of Housing and Community Development, which is located at 106 Catoctin Circle SE in Leesburg. The hearing will be held on the first floor in the Olmstead Room.

The [Housing Advisory Board](#) is facilitating the public hearing as part of the county's Community Development Block Grant (CDBG) process. The Housing Advisory Board is composed of members appointed by the Board of Supervisors. Comments received at the public hearing will be considered in preparing Loudoun County's CDBG 2024-2025 Annual Action Plan that will be submitted to the Board of Supervisors for approval and subsequently submitted to the U.S. Department of Housing and Urban Development (HUD) in May 2024.

The CDBG program, administered by HUD, provides funding on an annual basis for local projects that address a variety of housing, public service and community development needs. **Learn more at loudoun.gov/CDBG.**

Final Draft Zoning Ordinance Now Available

Final Draft Zoning Ordinance Now Available for Review

LOUDOUN
COUNTY
VIRGINIA

The Board of Supervisors will hold a public hearing on the Final Draft Zoning Ordinance being considered for adoption December 13, 2023.

loudoun.gov/ZoningOrdinanceRewrite

Following nearly four years of work by a broad range of stakeholders, Loudoun County's Final Draft Zoning Ordinance is now available for review! The Board is expected to take action on the final draft Zoning Ordinance at the December 13th Public Hearing.

[Read the Final Draft Zoning Ordinance](#)

During the Board of Supervisors' review process, I made a number of amendments:

- I created a "special exception" process for data centers on land zoned as research and development parks, such as the property owned by George Washington University.
 - This will require approval by the Board of Supervisors for any data center application in this zoning district, rather than approval "by right". The Board also enforced this requirement for parcels zoned as Office Park.
- Additionally, I amended the definitions of medical office and medical care facility to explicitly identify reproductive healthcare as an allowed use. This ensures no reproductive health clinic will be barred from opening in any zoning district that allows medical offices and medical care facilities.

- Lastly, I reduced regulations on murals in order to support public art in commercial and mixed-use areas, such as Cascades Marketplace.
