Public Input Meeting on Route 7 West Safety and Operational Study Rescheduled to Jan. 25

The Loudoun County public input meeting on the Route 7 West Safety and Operational Study has been rescheduled from January 23 to **Thursday, January 25, 6:30 – 8:00 p.m.**, at the Robey Meeting Room, Purcellville Library, 220 E Main St. in Purcellville.

Loudoun County is hosting a public input meeting to gain input from the community on the Route 7 West corridor. The study corridor is approximately 7 miles of Route 7 west from Route 690 (Hillsboro Road) to the Clarke County line. The study will identify safety and traffic operational issues and present recommended solutions. At this meeting, the public will receive an overview of the study and participate in interactive activities to provide input concerning the safety and operational issues in the corridor.

More information about the Route 7 West Safety and Operational Study, including a link to sign up for updates, is available at loudoun.gov/route7weststudy.
