Solarize Virginia Offers Loudoun Homeowners Free Solar Assessments, Discounted Prices on Solar Systems

Loudoun County homeowners and small businesses once again have the opportunity to sign up to learn more about solar power options specific to their property through [Solarize Virginia](https://solarizeva.org).

The program offers free satellite solar assessments, streamlined installation and discounted pricing on solar systems from vetted installers. Solarize Virginia also connects participants with information on the current 30% federal solar tax credit and other incentives, including the Solar Renewable Energy Certificates. Property owners in Loudoun also may be eligible for [Loudoun County's Solar Energy Tax Exemption](#).

Anyone interested in learning more about solar power is encouraged to register an upcoming [virtual information session](#) about the Solarize Virginia program.

- Tuesday, April 9, 12:00 – 1:00 p.m.
- Wednesday, May 15, 6:00 – 7:00 p.m.
- Monday, June 3, 3:00 – 4:00 p.m.

Solarize Virginia is sponsored by the Local Energy Alliance Program in partnership with the Northern Virginia Regional Commission and participating municipal governments, including Loudoun County. The 2024 program runs through June 30.

More information about the Solarize Virginia program is online at solarizeva.org.

Information about obtaining the proper permits for installing either a residential or commercial solar photovoltaic system in Loudoun County is available at loudoun.gov/solarpermits.
