Early Voting for June 2024 Primary begins May 3; Expanded Early Voting Hours begin June 8

Loudoun County election officials remind voters that early voting for the June 18, 2024, primary election begins May 3, 2024.

Both the Democratic and Republican parties are participating in the primary election. All registered voters are eligible to vote as Virginia does not register voters by party affiliation. At the polls, voters will indicate which ballot they would like to receive.

Voters will choose the Republican nominee for the United States Senate and the Democratic and Republican nominees for the U.S. Representative from the 10th Congressional District. Incumbent U.S. Senator Tim Kaine is automatically the 2024 Democratic nominee for the U.S. Senate as no one else filed to run in the primary.

Early voting begins Friday, May 3, at the Office of Elections and Voter Registration, 750 Miller Drive, Suite 150, in Leesburg. Early voting hours are Monday through Friday, 8:30 a.m. - 5:00 p.m. (Note: The office will be closed Monday, May 27, 2024.)

Additional Early Voting Hours at Satellite Locations

Additional early voting sites at Carver Senior Center in Purcellville, Claude Moore Recreation Center in Sterling and Dulles South Recreation Center in South Riding will be in operation beginning Saturday, June 8, and will continue the following Tuesday, Wednesday, Thursday and Saturday. Early voting ends Saturday, June 15. Exact dates, times and locations are posted at loudoun.gov/VoteEarly.
