

New Traffic Patterns Scheduled for Route 50 Starting on Sunday

On or about October 6th through 8th, there will be several shifts in the traffic patterns for Eastbound and Westbound Route 50 traffic between Pleasant Valley Road in Loudoun County and Avion Parkway.

- Westbound Route 50 traffic will be shifted to the right between Avion Parkway and Stonecroft Boulevard.
- Eastbound Route 50 traffic will be shifted to the left from Stonecroft Boulevard to Westfax Drive. This traffic switch will also include the permanent closing of the left turn movement from Westfax Drive to Westbound Route 50 and the permanent closing of the left turn movement from Westbound Route 50 to Westfax Drive.
- Westbound Route 50 traffic will be shifted to the left between Stonecroft Boulevard and Pleasant Valley Road in Loudoun County so that the traffic can be placed onto the new Cub Run Bridge.

The necessary work to complete the traffic shifts will be done at night starting at 5:00pm on Sunday night; and 7:00pm on Monday and Tuesday nights utilizing temporary lane closures. Delays are anticipated during these operations and it is recommended to utilize alternate routes. The temporary lane closures will be picked up by 5:00am every morning.
