

Upcoming Lane Closures on Rt. 50, Rt. 606 and Gum Spring Road

There are several upcoming important lane closures, please take note.

On **Rt. 50**, the westbound right lane from Airline Rd. to Stonecroft Blvd in Fairfax County will be closed today from 9:30 am to 3:00pm.

In order to construct the access for Dulles Landing, the right westbound lane of **Route 606** will be closed just south of Evergreen Mills Road to Route 50 from October 16 through October 18, between the hours of 9:30 am and 3:00 pm.

On **Gum Spring Road** there will alternating lane closures northbound between Ticonderoga Road and Cedar Ridge Boulevard. This week work will be performed on Wednesday and Thursday (10/16-10/17) from 9:30 am to 3:00 pm and on Friday (10/18) from 9:30 am to 2:00 pm. These closures will allow for paving operations. Next week, work will be performed in the same location Monday –Thursday (10/21-10/24) from 9:30 am to 3:00 pm to allow for striping and signage installation.

You may also see increased dump truck traffic in this area starting this week through mid-November, as Dominion Virginia Power begins construction on an electrical substation facility near Lightridge Farm Road. Residents will see a large number of dump trucks or other construction vehicles traveling along **Lightridge Farm Road, Braddock Road, and Gum Spring Road**. Trucks will be routed in a loop in order to minimize traffic impacts and will avoid Buffalo Trail and Pinebrook Elementary areas during drop off and pick up times.

Information on future lane closures will be provided on my [Facebook](#) page.
