

## Upcoming Lane Shifts on Route 50

**Tonight, November 20** (weather permitting), there will be a shift in the regular traffic pattern for westbound Route 50. Traffic will be shifted to the left between Stonecroft Blvd and the Cub Run Bridge in Fairfax County. The necessary work to complete the traffic shift will begin at 8:00 pm utilizing temporary lane closures. Delays are anticipated during these operations and you should seek alternate routes. The temporary lane closures will end around 5:00 am on Thursday, November 21.

On the evening of **Friday, November 22**, eastbound Route 50 will be shifted to the left between Westfax Drive and Route 28 in Fairfax County. The intersections of Avion Parkway and Lee Road will also be included in this shift. The necessary work to complete the traffic shift will start at 7:00 pm utilizing detour routes and temporary lane closures. Delays are anticipated during these operations and once again you should seek an alternate route. The detours and temporary lane closures will end around 7:00 am on Saturday, November 23.

As with any change in the traffic pattern, you may notice some additional delays following the lane shift while drivers adjust to the change. For more information on the Route 50 Widening Project, please visit the project website at:

## Temporary Closure of Donovan Drive at Braddock Road in South Riding Extended

Work to install a water line on Donovan Drive in South Riding was supposed to be completed today, but we have been informed that the work is not finished. In order to complete the project, Donovan Drive at the Braddock Road intersection will remain closed through the afternoon of

Friday, November 22. Drivers should use Loudoun County Parkway or Wendell Street as access points to and from Braddock Road during these closures.

### **Dulles Direct Town Hall Meeting Scheduled**

I will hold my quarterly Dulles Direct Town Hall meeting on **Thursday, December 5**, 7:00 pm at Freedom High School, which is located at 25450 Riding Center Drive in South Riding. I will give updates on current projects and other items of interest in the County and then answer any and all questions.

We'll also be sending out our regular monthly newsletter next week. I'll be covering some ongoing concerns about Route 50 signals and several other issues.
