

## **Route 50 Lane Shift Rescheduled to Friday, December 6**

The planned shift of the eastbound lanes between Westfax Drive and Route 28 in Fairfax County originally scheduled for tonight, Friday November 22, has been rescheduled to **Friday, December 6** due to weather.

Eastbound Route 50 will be shifted to the left between Westfax Drive and Route 28. The intersections of Avion Parkway and Lee Road will also be included in this shift. The necessary work to complete the traffic shift will start at 7:00 pm utilizing detour routes and temporary lane closures. Delays are anticipated during these operations and drivers should seek an alternate route. The detours and temporary lane closures will end around 7:00 am on Saturday, December 7.

As with any change in the traffic pattern, you may notice some additional delays following the lane shift while drivers adjust to the change. For more information on the Route 50 Widening Project, please visit the project website at:
