

VDOT Public Hearing on Dulles Access Road

VDOT will be hosting a public hearing on proposed locations for the Dulles Access Road. The meeting will be held on Tuesday, April 22, 6:30-8:30pm at Liberty Elementary School located at 25491 Riding Center Drive in South Riding. As I shared in [my e-mail last week](#), several routes have been identified and VDOT has selected one as its recommended option. The VDOT recommendation will have major implications for the Route 50 corridor in Loudoun County and Dulles South residents need to be active participants in this process. Staff from VDOT will be on hand to discuss the routes and receive citizen input on the alternatives. I look forward to seeing you there.
