

Hospital Open and This Week's Road Construction

STONESPRINGS HOSPITAL CENTER NOW OFFICIALLY OPEN, STAND-ALONE ER NOW CLOSED

This morning, StoneSprings Hospital Center officially opened its doors to patients. That means that all Emergency Services are now being handled in the hospital itself--not in the stand-alone ER building. The new hospital's ER facility is directly across the street--for the ER, you would still turn from 50 at the same place, but take a left instead of a right if you are coming from the south. Loudoun County Fire-Rescue units are now transporting patients to the hospital itself as well.

The official address for the hospital is 24440 StoneSprings Blvd, Dulles VA 20166. Congratulations to the team at HCA for opening up the first new hospital in Loudoun County in 100 years!

ROUTE 50 MEDIAN WORK

Concrete median work will continue on Route 50 this week. Expect the eastbound left lane of Route 50 from Avion Parkway to Route 28 to be closed. Weekday closures can be expected between 9:30 a.m. and 4:30 p.m. (Note the later end time than usual). Weather permitting, the work is scheduled to be complete by Friday, Dec. 11.

For more information, click [here](#).

BRADDOCK-PLEASANT VALLEY CLOSURES

Expect more lane closures at Braddock and Pleasant Valley this week for the roundabout project as storm drainage is being installed. These lane closures will be from 9:30-3:30, except on Friday (9:30-2:30). VDOT has asked Fort Meyer Construction to more closely monitor delays, especially when 50 is also down lanes.
