

Dulles Direct Town Hall Meeting February 17- Power Lines, Traffic Signals and More

During my first term, I conducted 15 Dulles Direct Town Hall meetings in order to share information with the community and hear from you. I'm pleased to announce the first Dulles Direct Town Hall meeting of my second term, which will be on Wednesday, February 17. The meeting will be held in the auditorium at J. Michael Lunsford Middle School (26020 Ticonderoga Road in South Riding) beginning at 7:00 pm.

We'll have a lot to talk about. I'll give an update on Dominion's proposed power lines on Route 50, and where things stand with the SCC case. I will also be hosting representatives from the Virginia Department of Transportation to discuss the signal timing process--how it works, and how Route 50 is programmed. I get a lot of questions about signals and this is your chance to talk to the people who program the signals on the roads you drive on directly. I'll also give a budget preview, and talk about the progress being made on ongoing projects.

I hope to see you there.
