

Dulles Direct Town Hall Meeting January 24
Elk Lick Road Safety Improvements and More

I'm pleased to announce that my next Dulles Direct Town Hall meeting will take place on Tuesday, January 24 at 7:00 pm. The meeting will be held in the auditorium at J. Michael Lunsford Middle School (26020 Ticonderoga Road in South Riding).

At the meeting, I'll be hosting representatives from Loudoun County's Department of Transportation and Capital Infrastructure, VDOT and traffic consultants from VHB to provide a presentation on proposed safety improvements to Elk Lick Road where it intersects Route 50 and Tall Cedars Parkway. The proposed improvements are the results of a study that I initiated due to several serious crashes at those intersections. This will be an opportunity to review their analysis and weigh in on the potential changes.

I will also give a general update on items that impact residents of the Dulles District, ongoing preparations for the FY2018 budget process and open the floor for your questions.

I hope to see you there.
