Loudoun County Commissioner of the Revenue Robert S. Wertz Jr. has issued notices of business tax filing requirements to business owners for tax year 2019. The notice provides the necessary account number to enable taxpayers to report their calendar year 2018 gross receipts by the deadline of March 1, 2019, at www.loudoun.gov/efile. The license tax or fee can then be paid at www.loudoun.gov/paytaxes. The filing of receipts and payment of the tax are due by midnight March 1, 2019.

Owners of business equipment that was located in Loudoun County on January 1, 2019, must declare it for taxation to the Commissioner of the Revenue at www.loudoun.gov/efile. Semi-annual bills for this equipment will be issued by the Treasurer and will be due on May 5 and October 5.

Owners of businesses within one of Loudoun's incorporated towns should contact the respective town regarding local license renewal. The reporting of business equipment is made to the Commissioner of the Revenue for all businesses in Loudoun County whether within or outside of an incorporated town.
