### Groundbreaking for Loudoun County Animal Services New Location Set for May 30

Loudoun County invites member of the public to attend the groundbreaking for the new location of Loudoun County Animal Services (LCAS) Thursday, May 30, 2019, at 10:00 a.m. in Leesburg. The ceremony will take place at the intersection of Crosstrail Boulevard and Kincaid Boulevard in the general location of 42152 Claudia Drive.

The new, 25,000-square foot facility includes an animal shelter, which will replace the existing shelter in Waterford. The new facility will serve as the operational headquarters of LCAS and will provide many of the same services as the current animal shelter, including pet adoptions; animal welfare law enforcement; housing of stray, abandoned, or relinquished companion animals; dog license sales; volunteer opportunities; dispatch services; educational programs; pet retention counseling; and a veterinary clinic for treatment of shelter pets.

The project is expected to be completed in the summer of 2020.

More information about the services provided by LCAS may be found at [loudoun.gov/animals](http://loudoun.gov/animals).
