Opening of Pennington Parking Garage at County Courts Complex in Leesburg Delayed

The opening of the new Pennington Parking Garage at the Loudoun County Courts Complex in Leesburg is delayed until further notice. The garage will not open on August 1, 2019, as previously announced. The unexpected delay is necessary to allow more time for the construction team to complete the final details on the garage and to test some of the garage's technology systems.

Due to the delay in the garage opening, the surface Pennington Lot will remain open to the public and employees. Members of the public who have business at the courts or in the Town of Leesburg may continue parking in the Pennington Lot until the new garage opens.

A new opening date for the garage has not been projected pending the completion of additional testing of technology systems. Loudoun County will announce the opening of the Pennington Parking Garage as soon as possible.
