Loudoun County Plans Event for National Voter Registration Day Sept. 24

Loudoun County will host a National Voter Registration Day event Tuesday, September 24, 2019, at the Office of Elections and Voter Registration, 750 Miller Drive, SE, Suite C, Leesburg, from 11:30 a.m. to 1:30 p.m.

“We will have tables and chairs set up in the parking lot outside our office for a cookout with hot dogs, chips and water. We invite anyone who would like to register to vote to come out and see us on the 24th,” said Loudoun County General Registrar Judy Brown. “It’s a festive event for a serious purpose: to help ensure that everyone in the county who is eligible to vote is properly registered.”

In addition to registering new voters, Brown’s staff will help existing voters update their registration information if necessary and will also provide information about the upcoming general election on Tuesday, November 5, 2019. The last day to register to vote before the November 5 election is October 15, 2019. Absentee voting is scheduled to begin Friday, September 20, 2019.

National Voter Registration Day is observed on the fourth Tuesday of September by election officials across the United States. In 2018 over 800,000 voters used National Voter Registration Day to register to vote across all 50 states.
