

Transportation Project Town Hall Meeting Thursday, September 26

Now that we're all back to school and back to work, the realities of our inadequate transportation infrastructure are now readily apparent.

With that in mind, its a good time to take a deep dive into the projects that will make our commutes a whole lot easier. Please join me for my next Dulles District Town Hall meeting on Thursday, September 26 at 7:00 p.m. in the auditorium at Mercer Middle School (42149 Greenstone Drive) in Stone Ridge.

We will be giving you an in depth overview of the transportation projects underway in our area. That includes new updates on the Route 50 northern collector road from Tall Cedars to Route 28.

I will also give general updates on items of interest and answer questions from those in attendance.

I hope to see you there.
