## Business Hazardous Waste Collection Event Scheduled for October 4, 2019

Loudoun County will host a hazardous waste collection event for businesses Friday, October 4, 2019.

Pre-registration is required to participate, and must be received no later than close of business Monday, September 30, 2019. Visit [loudoun.gov/bhwp](http://loudoun.gov/bhwp) for registration information or call 703-771-5514.

The Loudoun County Business Hazardous Waste Program is designed for businesses and organizations located in Loudoun County that generate small quantities of hazardous waste. The program includes two collection events, one in the fall and spring, where eligible hazardous waste generators may deliver toxic, flammable, or reactive waste for proper disposal.

Hazardous waste disposal through this program typically results in reduced costs for businesses as compared to establishing collection service directly with a hazardous waste management company. Participating businesses and organizations pay only for disposal of the material. Loudoun County pays all other costs such as mobilization, transportation and other fees.

Visit [loudoun.gov/bhwp](http://loudoun.gov/bhwp) for registration forms and event information, or call 703-771-5514.
