Loudoun to Host Public Information Meeting on District Courthouse Construction Project Nov. 14

Loudoun County is hosting a public information meeting about the construction of the new Loudoun County District Courthouse. Members of the public are invited to attend the meeting scheduled for Thursday, November 14, 2019, from 6:30 to 8:30 p.m., in the Board Room of the Loudoun County Government Center, 1 Harrison Street SE, Leesburg.

Representatives of the Loudoun County Department of Transportation and Capital Infrastructure (DTCI), the Town of Leesburg and the general contractor, Costello Construction of Maryland, Inc., will be on hand to discuss the scope of work and potential impacts to the public.

The project is part of an expansion of the courts complex and includes the design and construction of a new 92,000-square-foot courthouse, renovation of the existing courthouse and historic Valley Bank building as well as improved parking and pedestrian access to the courts buildings.

A presentation will take place at the beginning of the meeting to provide an overview of the project and potential impacts on the community.

Additional information about the project, including a link to sign up for email and text updates on the project, can be found at loudoun.gov/courts-expansion.

Anyone requiring a reasonable accommodation for any type of disability to participate in the November 14 meeting should contact DTCI at 703-777-0396 or by email at dtci@loudoun.gov. At least three business days' advance notice is requested.
