Groundbreaking for Ashburn Road Sidewalk Project Set for December 13, 2019

Loudoun County invites members of the public to attend a groundbreaking ceremony for the Ashburn Road Sidewalk project on Friday, December 13, 2019, at 10:00 a.m. at 20800 Ashburn Road in Ashburn. Guests are encouraged to use on-street parking on Haven Crest Way in the Ashburn Station neighborhood.

The Ashburn Road Sidewalk project will improve pedestrian access and safety in Ashburn with the construction of a segment of sidewalk on the east side of Ashburn Road between Partlow Road and the W&OD Trail. The scope of work includes the construction of a sidewalk, curb and gutter, improved drainage and signage. Curb ramps and crosswalks installed along this segment of Ashburn Road will comply with the requirements of the Americans with Disabilities Act, providing an accessible route that people with disabilities can use to safely transition from the road to the curbed sidewalk and vice versa.

The project is expected to be completed by the summer of 2020.
