Dear CASA Families,

We've had exciting adventures at CASA this year!

Every day we have provided your child with opportunities to have fun, make lasting friendships, and participate in a wide variety of activities. Our special events included the Lights on Afterschool celebrations, parties, and community service projects. Our CASA team has truly enjoyed spending time with your children and watching them learn and grow.

Thank you for entrusting us to provide a high-quality afterschool childcare program for your child. We hope you have a wonderful summer and look forward to seeing you in the Fall of 2020!

Warmest regards,

CASA Staff

# LIGHTS ON AFTERSCHOOL 2019

To celebrate Lights on After School, a celebration of after school programs, Lovettsville CASA arranged for a competitive jump rope team, The Skip Wizards, to come give an energetic performance. It was a huge hit! It inspired many months of enthusiastic jump rope activities.

Leesburg CASA was presented with a proclamation from Chairwoman Phyllis J. Randell who is the Chair At-Large for the Board of Supervisors. Also, present: Leesburg Police, LC&FD, LCP Library, LCPS School Nutrition Program, Girl's on the Run, and LES Afterschool Clubs.

At Ashburn CASA, the children along with their families danced to the music rendered by "DJ Tammy" and enjoyed the savory dishes made by our CASA parents

Sycolin Creek held a "Game Night" for their Lights On After School Activity. Parents were invited to participate in trivia and board game challenges with the kids.

Algonkian CASA celebrated with a glow party and participants made homemade donuts.

Stewart Weller CASA kids participated in a Rainbow Pancake activity for their LOA Event.

Legacy CASA celebrated LOA with a Fall Festival full of themed fun!

# Special Events at CASA! 2019 - 2020

In December, Newton Lee CASA had a Holidays Around The World party and parents were invited. It was a potluck party and every one participated and brought a dish or snack from their culture and shared it with everyone.

Moorefield 5th graders Famous Pancakes on Valentine's Day! They cook all day and service the front office, custodians, casa kids, and parents... then they eat!!!

Seldens Landing CASA kids enjoyed the STEM Team Bucket Challenge that they implemented this school year.

Kenneth Culbert hosted several special events that were fantastic this year. A favorite was the visit of the Garden club ladies.

At the end of November, the CASA Academy (Philomont) created a large "Circle of Thanks" wreath (being thankful never ends) made up of five things each student was thankful for. Although the kids did this independently, common themes appeared, including being grateful for each other. The celebration ended with a special treat-- a large bowl of fresh and canned fruit that many of the kids brought in to share.

We had a 100th-day celebration at Tolbert and celebrated by doing many 100 themed activities. Each student had popcorn as a special snack and wrote out a 100 with their popcorn. In the gym, we popped balloons with numbers 1 - 100 in them by sitting on them and then putting them in order as a team!

One of our best events at Mountain View is our annual Gingerbread house/Parent dodgeball game. Each child gets their own supplies to make a gingerbread house from 3:00-4:00. At 4:00 the parents arrive and we play a big game of parents vs kids dodgeball game.

Belmont Station CASA kids participated in "Fit Friday," every Friday, which involved every kid in the program engaging in a physical activity for at least 30 minutes. The kids at Belmont Station also engaged in a "Friendsgiving," in the Fall, & their Lights On After School Activity, and seasonal food and craft projects.
