

From my family to yours, have a wonderful Christmas and holiday season and a very Happy New Year. I want to thank all our residents and the owners and employees of our businesses for making Leesburg such a wonderful place to live. It is an honor to work with you. Please continue to let me know your thoughts on issues of interest to you. To everyone reading this, regardless of whether you are a Democrat, Republican, or Independent, your thoughts on issues are important to me. I want to take this opportunity to thank the outgoing Leesburg District School Board member, Erika Ogedegbe, for her dedication and her unfailingly calm approach to the many issues she had to deal with.

In the January newsletter, we will be welcoming our new School Board member, Lauren Shernoff, who has been a consistently strong, persistent, and thoughtful advocate for our students, parents and teachers. I would like to thank Val Suzdak and Laura TeKrony for having kept our office and this newsletter on track for almost 8 years. Val will be leaving our office to be Chief of Staff for Laura, the Supervisor-elect for the Little River District. Congratulations, Laura and Val! These two promise to be a highly effective team for Little River. Finally, it is my great honor to welcome Sherry Sewall, a distinguished Air Force veteran, as our office's new Chief of Staff. We are lucky to have her.

Menorah Lighting Ceremony at One Loudoun

Governor Youngkin listens to Holocaust survivor Mr. Mandel speak at the Menorah lighting at One Loudoun on December 10th. In a poignant statement, Mr. Mandel stated that he speaks about the Holocaust because there are so few survivors left to do so. Thank-you to Chabad for organizing this event.

Christmas and Holiday Parade

Thanks to the Leesburg Police Department's motorcycle officers for really getting into the Christmas spirit, as they lead the town's Christmas and Holiday parade on December 2nd. Right behind them were Leesburg Mayor Kelly Burk and Council Members Todd Cimino-Johnson and Zach Cummings.

Leesburg Volunteer Fire Company

Every year, Santa travels with the [Leesburg Volunteer Fire Company](#) to bring cheer to neighborhoods throughout the town. Please consider giving generously to [support our volunteers](#).

Aurora

Aurora, the yellow lab, is retiring at age 10. She is one of the County's Explosives Detection Canines. She and her best friend, Deputy Fire Marshall Leif Sundberg, have provided explosives detection sweeps for U.S. Presidents, Members of Congress and Governors. She is retiring at age 10, so that she can enjoy treats and popcorn. Here, this very good girl is getting ready to receive an honor from the Board of Supervisors while her young friend, the black lab, gets ready to assume her duties.

Zoning Ordinance Rewrite

On December 13th, the Board of Supervisors approved the Zoning Ordinance Rewrite, which I supported. I have been concerned about the lack of flexibility in the ordinance for the business and affordable housing communities. Although my concerns have been alleviated, I expect this ordinance will need to be amended as issues arise.

I want to thank County staff for all the time and work they put into rewriting the ordinance and the stakeholders and community members who provided the Board with helpful feedback. To view the new Zoning Ordinance, please visit this [website](#).
