

REMINDER: Sterling District Virtual Sanitation Services Community Meeting

**Tuesday, April 27,
2021**

6:00 pm - 7:30 pm

On Tuesday, April 27th, my office will host an virtual community meeting to facilitate a discussion between Sterling District residents and disposal companies that service our area.

There have been a number of concerns from Sterling constituents as it relates to trash collection, including issues of service quality, collection times and consistency, and price fluctuations. This meeting will be a space for community members to share their experiences and stories, for companies to answer questions and provide feedback or updates, and to discuss plans for improvement moving forward.

Please continue to submit your personal experiences, comments, questions, and suggestions for sanitation companies in advance to my Legislative Aide, Tianni Ivey at Tianni.Ivey@loudoun.gov.

I look forward to having you all join us Tuesday evening!
