Mobile Office Hours in Sterling Beginning June 13!

Do you have a question or concern about an issue or project in the Sterling District? Or do you have any suggestions or ideas on how we can improve Sterling? If so, please come visit my staff during our new mobile office hours, which will start on June 13th! They will take place every second and fourth Monday of the month from 10-6 pm.

Since we will be mobile, our remote location will vary every time. We will be visiting a different business or organization each time with the hopes of building more relationships within the Sterling community. Our first mobile office hours will take place at Joe's Pizzeria in the Sterling Plaza, 22360 S Sterling Blvd # 103 in Sterling.

Phase 2 Update of the Sterling Boulevard Water Main Project

Loudoun Water's update on construction activities related to its Sterling Boulevard Water Main:

The Sterling Boulevard Water Main work is depicted in the two pictures to the left. The top picture shows the limited construction area that is just south of W. Laurel Avenue on the west side of N. Sterling Boulevard. This construction includes the installation of water pipes and water supply valves inside an underground vault. The bottom picture shows the alignment in blue of the Sterling Boulevard Water Main. Construction activities include the installation of this water pipe and related piping fixtures. A general construction schedule, showing activities for each numbered area in the pictures, is provided within the table on the [next page](#) and will be updated monthly as minor changes to the construction schedule will occur.

The prime Contractor performing the work is Garney Companies, Inc. Pipe has been installed in areas 3, 4, 6, and 8 -

approximately 2,400 feet of a total of 7,500 feet to install.

Signs are posted and controls installed to route traffic around the construction. Efforts will be made to minimize traffic impacts as much as practical. Detours will be provided for pedestrian traffic in front of Sterling Middle School during construction across that property frontage this summer. Please use caution when walking or operating vehicles in and around the area for your safety and safety of others. Full restorations of all affected areas, including paving and sidewalk work, will occur between September and November 2016.

This update will be posted on Loudoun Water's [website](#). Please direct any questions or concerns related to the Sterling Boulevard Water Main Project to Susan Blackburn at 571-291-1043 or by email to sblackburn@loudounwater.org.

Park View's Athletic Department is in Need of Sponsorship

Calling all business owners and community members-- be a part of Park View's community by becoming a Stadium Sign Sponsor or making a financial contribution to Park View's athletic department. Help Park View raise its goal of \$50,000 for the upcoming season and surround

their main athletic fields with advertisement signs.

Business owners: sponsor ads would be visible to tens of thousands of people from throughout the DMV region. The signs are to be posted in the following Fall and Spring sports teams' fields: Varsity, Junior Varsity and Freshman Football; Boys and Girls Track & Field; Boys and Girls Varsity Soccer; Boys and Girls Junior Varsity Soccer; Boys and Girls Varsity Lacrosse; and Boys and Girls Junior Lacrosse. Do not miss this amazing opportunity to advertise your company.

PVHS' athletic dept is accepting sponsorship on a first come, first served basis. After the season is over, current participating sponsors have the first opportunity to renew their sponsorship for the next year.

If you are interested in making a donation or would like to be a sponsor, contact Gerritt Peck at 571-232-0113 or by email at gerritt.peck@lcps.org.
