

Neighbors,

Puerto Rico is in need of help to recover from the recent passage of two devastating hurricanes: Hurricane Irma and Hurricane Maria. United for Puerto Rico is an initiative brought forth by the First lady of Puerto Rico, Mrs. Beatriz Rosselló in collaboration with the private sector, with the purpose of providing aid and support to those affected in Puerto Rico. Please visit the [Government of Puerto Rico's website](#) for more details on the effort.

If you are in a capacity to help, please donate any of the following materials to a local Collection Center (address is below) or donate cash directly to the cause via <http://www.unitedforpuertorico.com/>.
